Educational Background*

Master's in Nursing

Please describe your professional qualifications, skills and/or work experience, and how you would use these to benefit the boards and/or commissions for which you are applying.*

I am an accomplished and results-oriented executive with extensive expertise in spearheading projects in the pharmaceutical industry. I have strong communication and analytical abilities, along with a commitment to serving the community.

Please list any community groups with which you are currently or have previously been active and describe your role.*

None

What motivated you to apply to serve on a board or commission, and why did you select the boards/commissions that you did?*

Since our move to Novi in early May, we have been incredibly touched by the warm welcome from this community. It is this passion for giving back that inspired me to apply for this position. My comprehensive project planning experience aligns directly with the needs of the planning commission.

If appointed, what do you hope to accomplish during your term? What do you hope to learn?*

I am hoping to learn more about developing the community's master plan along with the long-term goals for growth and development.

What do you think the City is doing well or could be doing differently when you think about the areas of responsibility for the boards and/or commissions for which you are applying?

As I continue to gain knowledge about Novi, I'll be able to provide more comprehensive insights

Is there anything else you would for Council to be aware of, or know about you?

I am excited to serve the public's interests and actively contribute to this community.
