- **Nine Mile/Napier Road Parcel**

The new owner of the parcel (outlined in purple) on the northeast corner of Napier and 9 Mile Road has expressed their displeasure with the planned roundabout by RCOC on the county road. The new owners planned to construct a home there, but that may not be possible with the planned safety improvements to the intersection.

- **Barricade on 10 Mile Road**

You'll notice that just east of Cortland Blvd. in the eastbound 10 Mile Road lane, there is a barricade in the road, on top of a County structure "manhole". We've been in contact with the county regarding the issue but have received too many conflicting answers. We hope to have that resolved soon.

- **ITC Restrooms Closed**

Ongoing plumbing problems causing back up and overflow at the ITC Community Sports Parks have been found to be primarily caused by insufficient slope going out to the first main connection point. This may require replacing the pipe from each of the toilets on both sides of the building and running a new transfer line with consistent acceptable slope to the connection point that runs towards the lift station. Our plumbing contractor is preparing an estimate for his proposal, and further steps will be determined following review of said proposal. We will be unable to open the Soccer restrooms until such time as the repairs have been completed. Signs and barricades will be posted at each of the restroom doors. Additionally, Port-A-Johns have been placed and are in-service including a handicap accessible unit.

- **Ice Arena HVAC**

The ice arena has been experiencing high humidity issues related to the installation of the new HVAC equipment. Suburban staff and Director Muck have been working diligently with OHM Advisors and the contractors to resolve the issue.
