I enjoy the collection and the presentation of Novi history. The Library talks when we bring in speakers about local history for the community to attend. The commission works to inform and educate the community.

Working on the Spring Palooza/Super Hero event, helping host the Library talks and bringing the community together and Wreaths Across Novi to honor our beloved veterans. I also helped to host the USO-Style Canteen at the Library put on by the Library with music and lunch.

## BOARDS AND COMMISSIONS APPLICATION FOR REAPPOINTMENT

### **If reappointed, what do you hope to accomplish in your next term?**

I look forward to assisting on future historical projects for the City and in sharing Novi's history with the residents. We are working on a miniature project of Matt Moeren's General store to show the community what it might have looked like and how it served the community back in the 1900's part of the Four Corners of Novi.

### **What do you want Council to know about your board or commission, and how can they assist your board or commission with its goals?**

We appreciate your commitment to our commission. Jeff Muck, Director of Novi Parks and Recreation has been helpful with our project of replacing our existing Historical Marker Plaques in our two cemeteries and working with us on the Wreaths Across Novi. Just working together makes our goals to preserve the history of Novi move forward with the help of the City employees.

### **Is there anything else you would like for Council to know about you and/or your work on the board or commission?**

I am passionate about the past and the future of Novi and sharing these stories and projects with the people of Novi. To get our community involved in learning more about our great City of Novi!
