What motivated you to apply to serve on a board or commission, and why did you select the boards and/or commissions that you did?

My daughter was very active in community theater growing up. Our home was part of the Holiday Home Tour in 2005 when the Friends of the Novi Theatres was in existence. The Novi Choralaires and the Novi Concert band are wonderful groups within the Novi community. Beyond Belief is a senior musical theater group with origins in Novi. The city does not seem to value the arts-all these groups are self-supported, with a little help from the Novi Parks Foundation.

If appointed, what do you hope to accomplish during your term? What do you hope to

learn?*

It would be nice to see Novi promoting the arts more like Birmingham does.

What do you think the City is doing well or could be doing differently when you think about the areas of responsibility for the boards and/or commissions for which you are applying?

The city does not value the arts.

Is there anything else you would like for Council to be aware of, or know about you?

I also love my perennial garden. Both of my children graduated from Novi HS and went to University of Michigan. I love all of the free outdoor music concerts in the area, including the Friends of the Novi Library program at Paradise Park. I enjoy swimming and belong to the Novi Athletic Club. My favorite work out class is cardio drumming with Madison LaChance at the Novi civic center. I wish Novi had a better senior center like The Hawk.
