

MEMORANDUM

TO: MAYOR FISCHER AND CITY COUNCIL MEMBERS
FROM: MELISSA MORRIS, DEPUTY CITY CLERK
SUBJECT: FIREWORKS DISPLAY APPLICATION
DATE: JUNE 4, 2026

As a component of the process to evaluate a fireworks display application, a background check by the Police Department is required. The Clerk's office has received an application from Eddie Hesano for his annual fireworks display. The Novi Police Department has completed its investigation, resulting in a couple of incidents involving Mr. Hesano. Due to the sensitive nature of these results, we have included them in this executive correspondence/packet for your review.

Some explanations for the legal terms included:

Nolo contendere – is commonly referred to as "No contest." It has the exact same immediate result as a guilty plea, but cannot be used as an admission of fault in subsequent civil lawsuits

NVPD – Is short for Novi Police Department
