Please describe your professional qualifications, skills and/or work experience, and how you would use these to benefit the boards and/or commissions for which you are applying.*

I have a strong background in operations, branding, people management, and recruitment from my time working for LinkedIn and more recently as the Chief of Staff at Barrett Solutions.

Please list any community groups with which you are currently or have previously been active and describe your role.*

Novi Ambassador Academy, Economic Development Corporation - member of both

What motivated you to apply to serve on a board or commission, and why did you select the boards and/or commissions that you did?

We went on a tour of the Novi Library with the Ambassador program and I was inspired by how much the library does for our community and how it brings people together in such wonderful ways.

If appointed, what do you hope to accomplish during your term? What do you hope to learn?*

I hope to learn about how the library impacts the local community, focus on the main parts, and make as much improvement as possible. I also heard they need to do some hiring and this

is one of my expertise.

What do you think the City is doing well or could be doing differently when you think about the areas of responsibility for the boards and/or commissions for which you are applying?

I think Novi is in really good shape. I think the biggest opportunity is bringing people together through structure programming and the Library can play a great role there.

Is there anything else you would like for Council to be aware of, or know about you?

I'm excited to be impacting my local community!
