Mayor and City Council,

With the retirement of 1 of our members coming up in June, we need to hire 1 more member. We reviewed 5 applications. Interviews and agility tests were held, and I am recommending the hiring of Victor Bolter. We feel Victor will be a great addition to our department. Pending completion of pre-employment screening and background check, we would like to hire Victor Bolter with a start date of May 5<sup>th</sup>, 2026.
