Privacy Commitment

Let's defeat crime together.

Our commitment to **protecting the whole community**

Flock Safety helps thousands of cities prevent and eliminate crime with technology that captures objective evidence and delivers it into the hands that serve and protect. In our pursuit of a safer society, we place our commitment to protecting individual privacy and mitigating bias at the core of every policy and product we develop.

WE FOCUS ON PROTECTING PRIVACY AND ENABLING ACCOUNTABILITY

- Flock devices only capture objective evidence, whether vehicular, audio, or video. Flock does not enable predictive policing.
- Flock devices do not connect to databases to identify name, identifiers, addresses, or other information about people.
- The system always requires a documented search reason or case number every time a user accesses Flock data, creating a permanent audit trail for every user.
- Customers own 100% of all data captured on our devices. We never share or sell data with third parties.
- All images and metadata are encrypted in the cloud for maximum security compliance.
- Flock has created the first LPR Transparency Portal, provided to customers optionally for free, to document LPR usage, policies, and ROI for their community.
