

SERVING THE COMMUNITY SINCE 1884

New Prague Fire Department

505 5TH Ave. NW New Prague, MN 56071

Mayor and Council Members,

Attached you will find the estimates for 2 different SCBA manufacturers. The quote for the Dragger equipment came in at \$221,158 after we added in the shipping costs. The MSA equipment came in at \$227,290.53 after shipping. We have looked at and tried both pieces of equipment. After looking at both pieces of equipment and seeing that the prices are so close we would like to purchase the MSA equipment.

There are a few reasons for wanting to purchase the more expensive equipment... It was the committee unanimous opinion that the comfortability of the MSA was slightly better than the Dragger, both in the masks and the pack itself. The MSA takes rechargeable batteries which come with a 15-year warranty, so essentially no annual battery cost. The dragger takes regular batteries and would have an annual cost of \$250 to replace, over the life of the pack that comes to \$3,750. Most of our mutual aid partners are using the MSA equipment and their feedback has all been very good.

It is my recommendation to purchase the MSA equipment from MACQUEEN. The purchase would be made through the HGAC buy program, which allows us to purchase the more expensive equipment. This is like what we did when we purchased the Ladder truck and the Engine. This allows us to pick the manufacturer and purchase the equipment of our choice.

Thank you,

Steve Rynda
Fire Chief

About the Cooperative

H-GAC and the Cooperative Purchasing Program

The Houston-Galveston Area Council (H-GAC) is the largest of 24 Councils of Government (COG) in Texas, and is a political subdivision of the State of Texas. It has been serving local governments for more than 40 years.

H GAC's Cooperative Purchasing Program, known as HGACBuy, was established pursuant to Texas Interlocal Cooperation Act [Texas Local Government Code, Title 7, Chapter 791]. The Act allows local governments and certain non-profits to contract or agree under the terms of the Act to make purchases or provide purchasing services and other administrative functions appropriately established by another government entity. The Interlocal Contract (ILC) is the required legal document that establishes a link between the Member (local governments and certain non-profits) and HGACBuy, and gives the Member access to HGACBuy contracts.

**HELPING
GOVERNMENTS
ACROSS THE
COUNTRY
BUY**

H-GAC has established Interlocal Contracts with thousands of Members throughout Texas and across the United States.

HGACBuy contracts are established based on the requirements of [Texas Local Government Code, Chapter 252]. Products and services are contracted after having been subjected to either a competitive bid (IFB) or competitive proposal (RFP) process. Contracts are blanket type, usually for a term of two or three years. Use of HGACBuy for purchases by any Member is strictly at the discretion of that entity. Member issue their purchase orders and pay the HGACBuy Contractor directly.

How to Become an Member?

Completing and Executing the ILCSteps for Completing and Executing the Interlocal Contract (ILC).

(/join/become-an-end-user)

Scope of HGACBuy's Professional Services

HGACBuy acts as the designated purchasing agent on behalf of participating Members by performing specific services including, but not limited to:

- Developing specifications for competitive bids and proposals
- Soliciting vendor participation
- Conducting pre-bid/pre-proposal conferences

- Conducting public bid/proposal openings of responses
- Evaluating responses and making award recommendations
- Executing vendor contracts awarded by the H-GAC Board of Directors
- Maintaining contract information available through HGACBuy's Website
- Contract Administration

How to Become a Contractor?

All products and services offered through HGACBuy have been subjected to a competitive bid or proposal process, subsequently resulting in the award of a blanket contract(s). Becoming an HGACBuy Contractor requires that you go through that process with us when we do a procurement for the products and/or services which you offer.

Most of our contracts run for a term of two years, dictating that the procurement process for a product/service is undertaken on that same schedule, i.e. every two years.

[Click here \(/join/become-a-contractor\)](#) to know more about The HGACBuy Procurement Policy

How to Become a Member?

To become a Member and participate in purchasing through HGACBuy, you must:

Be a state agency, county, municipality, special district, or other political subdivision of a state, or a qualifying non-profit corporation (providing one or more governmental function or service)

Possess legal authority to enter into the Contract.

The Member warrants that both requirements are fulfilled by execution of an Interlocal Contract (ILC).
