(a)        The City is authorized by Minnesota Statutes, Chapter 475, as amended (the “Act”), including Minnesota Statutes, Section 475.521, as amended (“Section 475.521”), to prepare a capital improvement plan providing for the acquisition or betterment of public lands, buildings or other improvements for the purpose of a city hall, town hall, library, public safety facility, and public works facility, and to finance such improvements through the issuance of general obligation capital improvement plan bonds.

(b)        Pursuant to a resolution adopted by the Council on March 17, 2025, following a duly noticed public hearing, the Council approved a five-year capital improvement plan for the years 2025 through 2029 (the “Plan”) which set forth the details of specific capital projects and the issuance of bonds to finance those capital projects, subject to the requirements of Section 475.521.

(c)        On April 7, 2025, the Council adopted a resolution (the “Intent Resolution”) stating the intention of the City to issue and sell its General Obligation Capital Improvement Plan Bonds, Series 2025A (the “Bonds”), pursuant to the Act, including Section 475.521, in the maximum aggregate principal amount of \$10,430,000, to finance the construction of a new police station in the City (the “Project”).

Section 2.       Registration and Payment.

2.01.   Registered Form. The Bonds shall be issued only in fully registered form. The interest thereon and, upon surrender of each Bond, the principal amount thereof, is payable by check or draft issued by the Registrar described herein.

2.02.   Dates; Interest Payment Dates. Each Bond shall be dated as of the last interest payment date preceding the date of authentication to which interest on the Bond has been paid or made available for payment, unless (i) the date of authentication is an interest payment date to which interest has been paid or made available for payment, in which case the Bond shall be dated as of the date of authentication, or (ii) the date of authentication is prior to the first interest payment date, in which case the Bond shall be dated as of the date of original issue. The interest on the Bonds is payable on February 1 and August 1 of each year, commencing February 1, 2026, to the registered owners of record thereof as of the close of business on the fifteenth day immediately preceding each interest payment date, whether or not such day is a business day.

2.03.   Registration. The City shall appoint a bond registrar (the “Registrar”), authenticating agent (the “Authenticating Agent”), and paying agent (the “Paying Agent”). Except as specifically provided otherwise in Section 7 hereof, the effect of registration and the rights and duties of the City and the Registrar with respect thereto are as follows:

(a)     Register. The Registrar must keep at its principal corporate trust office a bond register (the “Bond Register”) in which the Registrar provides for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred, or exchanged.

(b)     Transfer of Bonds. Upon surrender for transfer of a Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until that interest payment date.

(c)     Exchange of Bonds. When Bonds are surrendered by the registered owner for exchange the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity as requested by the registered owner or the owner’s attorney in writing.

(d)     Cancellation. Bonds surrendered upon transfer or exchange shall be promptly cancelled by the Registrar and thereafter disposed of as directed by the City.

(e)     Improper or Unauthorized Transfer. When a Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the Bond until the Registrar is satisfied that the endorsement on the Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The City and the Registrar may treat the person in whose name a Bond is registered in the Bond Register as the absolute owner of the Bond, whether the Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on the Bond and for all other purposes, and payments so made to a registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon the Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees, and Charges. The Registrar may impose a charge upon the owner thereof for a transfer or exchange of Bonds sufficient to reimburse the Registrar for any tax, fee, or other governmental charge required to be paid with respect to the transfer or exchange.

(h) Mutilated, Lost, Stolen, or Destroyed Bonds. If a Bond becomes mutilated or is destroyed, stolen, or lost the Registrar shall deliver a new Bond of like amount, number, maturity date, and tenor in exchange and substitution for and upon cancellation of the mutilated Bond or in lieu of and in substitution for any Bond destroyed, stolen, or lost upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen, or lost, upon filing with the Registrar evidence satisfactory to it that the Bond was destroyed, stolen, or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance, and amount satisfactory to it and as provided by law, in which both the City and the Registrar must be named as obligees. Bonds so surrendered to the Registrar shall be cancelled by the Registrar and evidence of such cancellation must be given to the City. If the mutilated, destroyed, stolen, or lost Bond has already matured or been called for redemption in whole in accordance with its terms it is not necessary to issue a new Bond prior to payment.

(i) Redemption. In the event any of the Bonds are called for redemption, notice thereof identifying the Bonds to be redeemed shall be given by the Registrar by mailing a copy of the redemption notice by first class mail (postage prepaid) to the registered owner of each Bond to be redeemed at the address shown on the Bond Register and, if publication of the notice of redemption is required by law, by publishing the notice of redemption as required by law. Failure to give notice by publication or by mail to any registered owner, or any defect therein, shall not affect the validity of the proceedings for the redemption of Bonds. Bonds so called for redemption shall cease to bear interest after the specified redemption date, provided that the funds for the redemption are on deposit with the place of payment at that time.

2.04. Appointment of Initial Registrar, Paying Agent, and Authenticating Agent. The City appoints Bond Trust Services Corporation, Roseville, Minnesota, as the initial Registrar, Paying Agent, and Authenticating Agent with respect to the Bonds. The Mayor and the City Administrator are authorized to execute and deliver, on behalf of the City, a contract with Bond Trust Services Corporation, as the initial Registrar, Paying Agent, and Authenticating Agent with respect to the Bonds. Upon merger or consolidation of the Registrar, Paying Agent, and Authenticating Agent with another corporation, if the resulting corporation is a bank or trust company authorized by law to conduct such business, the resulting corporation is authorized to act as successor Registrar, Paying Agent, and Authenticating Agent. The City agrees to pay the reasonable and customary charges of the Registrar, Paying Agent, and Authenticating Agent for the services performed. The City reserves the right to remove the Registrar, Paying Agent, or Authenticating Agent upon thirty (30) days' notice and upon the appointment of a successor Registrar, Paying Agent, or Authenticating Agent, in which event the predecessor Registrar, Paying Agent, or Authenticating Agent must deliver all cash and Bonds in its possession to the successor Registrar, Paying Agent, or Authenticating Agent and the Registrar must deliver the Bond Register to the successor Registrar. On or before three (3) business days prior to each principal or interest due date, without further order of the Council, the Finance Director must transmit to the Paying Agent money sufficient for the payment of all principal and interest then due.

2.05. Execution, Authentication, and Delivery. The Bonds shall be prepared under the direction of the City Administrator and executed on behalf of the City by the signatures of the Mayor and the City Administrator, provided that those signatures may be printed, engraved, or lithographed facsimiles of the originals. If an officer whose signature or a facsimile of whose signature appears on the Bonds ceases to be such officer before the delivery of a Bond, that signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if the officer had remained in office until delivery. Notwithstanding such execution, a Bond shall not be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Bond has been duly executed by the manual signature of an authorized representative of the Authenticating Agent. Certificates of authentication on different Bonds need not be signed by the same representative of the Authenticating Agent. The executed certificate of authentication on a Bond is conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been so prepared, executed, and authenticated the City Administrator shall deliver the same to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser is not obligated to see to the application of the purchase price.

### Section 3. Form of Bond.

Any balance remaining in the Construction Fund after completion of the Project may be used for any other public use authorized by law and approved by resolution adopted or vote taken in the manner required to authorize the application of the proceeds of the Bonds for such new use and purpose, or credited to the Debt Service Fund or other City debt service fund, all in accordance with Section 475.65 of the Act.

Said tax levies shall be irrevocable as long as any of the Bonds are outstanding and unpaid, provided that the City reserves the right and power to reduce the levies in the manner and to the extent permitted by the Act (specifically, Section 475.61 of the Act).

#### Section 6. Tax Covenants.

6.01. Tax-Exempt Bonds. The City shall comply with all the necessary requirements and take all necessary actions (or decline to take prohibited actions) to ensure that interest on the Bonds shall not be includable in gross income for federal income tax purposes under Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), and applicable Treasury Regulations promulgated thereunder (the "Regulations"). The City covenants and agrees with the holders from time to time of the Bonds that it shall not take or permit to be taken by any of its officers, employees, or agents any action which would cause the interest on the Bonds to become subject to federal income taxation under the Code and the Regulations, in effect at the time of such actions, and that it shall take or cause its officers, employees, or agents to take all affirmative action within their powers that may be necessary to ensure that such interest shall not become includable in gross income for federal income tax purposes under the Code and applicable Regulations, as presently existing or as hereafter amended and made applicable to the Bonds.

6.02. Continuing Requirements. The City shall comply with all requirements necessary under the Code and Regulations to establish and maintain the exclusion from gross income of the interest on the Bonds under Sections 103 and 141-150 of the Code and applicable Regulations including, without limitation, requirements relating to temporary periods for investments, limitations on amounts invested at a yield greater than the yield on the Bonds, and the rebate of excess investment earnings to the United States. The Mayor and the City Administrator, being officers of the City charged with the responsibility for issuing the Bonds pursuant to this Resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code and applicable Regulations stating the facts, estimates, and circumstances in existence on the date of issue and delivery of the Bonds which make it reasonable to expect that the "gross proceeds" of the Bonds will not be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of the Code and the Regulations. The City covenants and agrees to retain such records, make such determinations, file such reports and documents, and pay such amounts at such times as are required under Section 148(f) and applicable Regulations to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes, unless the Bonds qualify for an exception from the rebate requirement in accordance with one of the spending exceptions set forth in Section 1.148-7 or Section 1.148-8 of the Regulations.

The City shall use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designations and covenants made by this section.

6.03. Rebate. The City will comply with requirements necessary under the Code to establish and maintain the exclusion from gross income of the interest on the Bonds under Section 103 of the Code, including without limitation requirements relating to temporary periods for investments, limitations on amounts invested at a yield greater than the yield on the Bonds, and the rebate of excess investment earnings to the United States unless the Bonds qualify for an exception to the rebate requirement under the Code and Regulations.

6.04. Not Private Activity Bonds. The City further covenants not to use the proceeds of the Bonds or to cause or permit them or any of them to be used, in such a manner as to cause the Bonds to be determined to constitute “private activity bonds,” within the meaning of Sections 103 and 141 through 150 of the Code and the applicable Regulations promulgated thereunder.

6.05. Not Qualified Tax-Exempt Obligations. The City shall not designate the Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code.

Section 7. Book-Entry System; Limited Obligation of City.

7.01. DTC. The Bonds shall be initially issued in the form of a separate single typewritten or printed fully registered Bond for each of the maturities set forth in Section 1.04 hereof. Upon initial issuance, the ownership of each Bond shall be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York, and its successors and assigns (“DTC”). Except as provided in this section, all of the outstanding Bonds shall be registered in the Bond Register in the name of Cede & Co., as nominee of DTC.

7.02. Participants. With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of DTC, the City, the Registrar, and the Paying Agent shall have no responsibility or obligation to any broker-dealers, banks, and other financial institutions from time to time for which DTC holds Bonds as securities depository (the “Participants”) or to any other person on behalf of which a Participant holds an interest in the Bonds, including but not limited to any responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest in the Bonds; (ii) the delivery to any Participant or any other person (other than a registered owner of Bonds, as shown by the registration books kept by the Registrar), of any notice with respect to the Bonds, including any notice of redemption; or (iii) the payment to any Participant or any other person, other than a registered owner of Bonds, of any amount with respect to principal of, premium, if any, or interest on the Bonds. The City, the Registrar, and the Paying Agent may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal, premium and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bonds, and for all other purposes. The Paying Agent shall pay all principal of, premium, if any, and interest on the Bonds only to or on the order of the respective registered owners, as shown in the registration books kept by the Registrar, and all such payments shall be valid and effectual to fully satisfy and discharge the City’s obligations with respect to payment of principal of, premium, if any, or interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of Bonds, as shown in the Bond Register, shall receive a certificated Bond evidencing the obligation of this Resolution. Upon delivery by DTC to the City Administrator of a written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words “Cede & Co.” shall refer to such new nominee of DTC; and upon receipt of such a notice, the City Administrator shall promptly deliver a copy of the same to the Registrar and Paying Agent.

7.03. Representation Letter. The City has heretofore executed and delivered to DTC a Blanket Issuer Letter of Representations (the “Representation Letter”) which shall govern payment of principal of, premium, if any, and interest on the Bonds and notices with respect to the Bonds. Any Paying Agent or Registrar subsequently appointed by the City with respect to the Bonds shall agree to take all action necessary for all representations of the City in the Representation Letter with respect to the Registrar and Paying Agent, respectively, to be complied with at all times.

7.04. Transfers Outside Book-Entry System. In the event the City, by resolution of the Council, determines that it is in the best interests of the persons having beneficial interests in the Bonds that they be able to obtain Bond certificates, the City shall notify DTC, whereupon DTC shall notify the Participants, of the availability through DTC of Bond certificates. In such event the City shall issue, transfer, and exchange Bond certificates as requested by DTC and any other registered owners in accordance with the provisions of this Resolution. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the City and discharging its responsibilities with respect thereto under applicable law. In such event, if no successor securities depository is appointed, the City shall issue and the Registrar shall authenticate Bond certificates in accordance with this resolution and the provisions hereof shall apply to the transfer, exchange, and method of payment thereof.

7.05. Payments to Cede & Co. Notwithstanding any other provision of this Resolution to the contrary, so long as a Bond is registered in the name of Cede & Co., as nominee of DTC, payments with respect to principal of, premium, if any, and interest on the Bond and all notices with respect to the Bond shall be made and given, respectively in the manner provided in DTC’s Operational Arrangements, as set forth in the Representation Letter.

#### Section 8. Continuing Disclosure.

8.01. Execution of Continuing Disclosure Certificate. For purposes of this Section, “Continuing Disclosure Certificate” means that certain Continuing Disclosure Certificate executed by the Mayor and City Administrator and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

8.02. City Compliance with Provisions of Continuing Disclosure Certificate. The City hereby covenants and agrees to comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Resolution, failure of the City to comply with the Continuing Disclosure Certificate is not to be considered an event of default with respect to the Bonds; however, any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this section.

Section 9. Defeasance. When all of the Bonds and all interest thereon have been discharged as provided in this section, all pledges, covenants, and other rights granted by this resolution to the holders of the Bonds shall cease, except that the pledge of the full faith and credit of the City for the prompt and full payment of the principal of and interest on the Bonds shall remain in full force and effect. The City may discharge all Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full.
