MEMORANDUM

TO: New Prague Utilities Commission

FROM: Bruce Reimers, Utilities General Manager

DATE: September 23, 2026

SUBJECT: **RESOLUTION UPDATING CONTRACT TERMS WITH SMMPA
REGARDING THE EXTENSION OF POWER SALES CONTRACT**

SUBJECT

At the June SMMPA Board meeting, the Board authorized extending the Power Sales Contract to the members. Although the current Power Sales Contract remains in effect through 2050, many of the generation, transmission, and financing decisions that will shape the Agency's future extend well beyond the next two decades. Extending the contract term now helps preserve access to long-term financing structures and resource opportunities that may not otherwise be available if the remaining contract term becomes a constraint.

RECOMMENDATION

It would be my recommendation that the Commission approve the amendment to the current contract and recommend the City Council also approve the amendments that the City of New Prague has with SMMPA, extending the contract to 2065.
