Bruce Reimers
General Manager

MEMORANDUM

TO: New Prague Utilities Commission

FROM: Bruce Reimers, Utilities General Manager

DATE: December 20, 2024

SUBJECT: **Approval of Diesel Generation Equipment and related support equipment.**

Over the past several months NPUC staff have been working with DGR Engineering to develop bid specifications for (4) 3100KW generators and related support equipment. At the September Commission meeting the Commission approved bidding documents and specifications provided by DGR engineering and authorized a request for public bids to be received by October 24, 2024.

Only one bid was received from Ziegler Cat in the amount of \$9,841,243 including the base engine and support equipment, along with optional items to include a five-year extended warranty, generator bearing temperature monitoring and ethylene glycol coolant.

Recommendation:

Approve the bid from Ziegler Cat and authorize the General Manager and Board President to sign contracts after final review by the City of New Prague legal counsel and DGR engineering.
