(c) The Authority has received no notice or communication from any local, State or federal official that the activities of the Developer or the Authority in the Development District may be or will be in violation of any environmental law or regulation. The Authority is aware of no facts the existence of which would cause it to be in violation of any local, State or federal environmental law, regulation or review procedure.

Section 2.2. Representations and Warranties by the Developer. The Developer makes the following representations as the basis for the undertakings on its part herein contained:

(a) The Developer is a Minnesota corporation, duly organized and in good standing under the laws of Minnesota and is not in violation of any provisions of its articles of incorporation or by-laws. The Developer has the power to enter into this Agreement and carry out its obligations hereunder. The persons executing this Agreement and related agreements and documents on behalf of the Developer have the authority to do so and to bind the Developer by their actions.

## ARTICLE III

### **Conveyance of Development Property**

Section 3.1. Conveyance of the Development Property. In order to facilitate the financial feasibility of the development of the Development Property and in consideration of the Developer's fulfillment of its covenants and obligations under this Agreement to construct the Minimum Improvements, and subject to the conditions precedent to closing outlined in Section 3.5 and the contingencies to Closing outlined in Section 3.6 of this Agreement, the Authority agrees to sell the Development Property to the Developer for One Hundred Eighty-Four Thousand, Four Hundred Ninety-Eight and 38/100 dollars (\$184,498.38).

The Developer has paid to the Authority on or before November 18th, 2024, earnest money in the amount of \$10,000.00 which shall be credited to the Developer at the time of closing. The Authority agrees to convey title and possession of the Development Property to the Developer by quit claim deed in the form attached hereto as Exhibit B. The conveyance of the Development Property and the Developer's use of the Development Property shall be subject to all of the conditions, covenants, restrictions and limitations imposed by this Agreement and the Development Property Deed. The conveyance of title to the Development Property and the Developer's use of the Development Property shall also be subject to the building and zoning laws and ordinances and all other City, State and federal laws and regulation, easements and rights of way.

Section 3.2. Condition of Title. Within fourteen (14) days of the date of this Agreement, the Authority agrees to submit to the Developer a commitment for title insurance regarding the Development Property. The Developer shall have twenty (20) days after delivery of the commitment to examine same and to make any objections concerning the condition of title regarding the Development Property. Objections to the condition of title shall be made in writing and addressed to the Authority. Failure on the part of the Developer to make objections within twenty (20) days shall constitute a waiver of same and of the Developer's right to object to the condition of title. If the Developer provides written objections to title, the Authority shall have forty-five (45) days thereafter to cure the defects cited by the Developer or to inform the Developer in writing that the Authority cannot or will not cure said defects. If there are no defects in title to which the Developer objects in writing or the Developer fails to object in a timely manner or if the Authority cures the defects within the prescribed period, the parties will proceed to closing. If there are defects in title to which the Developer has objected in a timely manner and which the Authority cannot or will not cure, the Developer may terminate this Agreement at its option within ten (10) days of notice from the Authority of its inability or unwillingness to cure. The Authority shall have no obligation to cure any defects in the title of the Development Property. If the Developer chooses to terminate this Agreement pursuant to this Section 3.2, the Developer agrees to execute a quit claim deed regarding the Development Property in favor of the Authority and the Authority shall refund to the Developer all earnest money and deposits received. Thereafter the parties shall have no further obligation towards one another with regard to this Agreement or the Development Property. The Developer may also choose to proceed to closing on the Development Property and take title subject to the defect. Notwithstanding any other provision herein to the contrary, if the Developer proceeds to closing within less than the time periods set forth herein for receipt of a commitment for title insurance and objection to title defects, such action shall be deemed to be a

waiver by the Developer of its right to examine and object to the condition of title of the Development Property.

Section. 3.3. Financing. Before conveyance of the Development Property by the Authority, the Developer agrees to submit to the Authority evidence of a commitment for financing which is adequate, in the Authority's sole opinion, for the construction of the Minimum Improvements. If the Authority finds that the financing complies with the terms of this Section 3.3 and is sufficiently committed and adequate in amount to provide for the construction of the Minimum Improvements, the Authority shall notify the Developer in writing of its approval. Such approval shall not be unreasonably withheld. If the Authority rejects the evidence of financing as inadequate, it shall do so in writing specifying the basis for the rejection and the Developer shall have 30 days thereafter to submit a commitment for additional or alternate financing acceptable to the Authority. If the Developer fails to submit a commitment for financing acceptable to the Authority within said period of time or any additional period to which the Authority may agree, the Authority may notify the Developer of its failure to comply with the requirement of this Section 3.3 and may terminate this Agreement at its sole discretion.

Section 3.4. Representations.

(a) The Authority makes the following representations and disclosures regarding the Development Property:

1. The Authority has conducted a Phase I environmental study regarding the Development Property. Such report is available to the Developer upon request.
2. The Authority has conducted a geotechnical survey of the Development Property. Such report is available to the Developer upon request.
3. The Authority has conducted a wetland delineation of the Development Property. Such report is available to the Developer upon request.
4. The Authority has conducted a topographical survey of the Development Property. Such report is available to the Developer upon request.
5. The Authority represents that six (6) inch water and eight (8) inch sanitary sewer hook-ups exist or are available to the Development Property.
6. The Authority represents that primary electric distribution infrastructure is installed and is available to the Development Property.
7. The Authority represents that it will be constructing storm sewer service facilities across the northern edge of the Development Property for hook-up by the Developer.
8. The Authority represents that it has surveyed and platted the Development Property. The plat of NEW PRAGUE BUSINESS PARK 11<sup>TH</sup> ADDITION identifying the property lines for the Development Property is available to the Developer upon

request.

The Developer has 30 days to review the documents noted above in this Section 3.4(a) and to make any objections, or any objections shall be deemed waived.

(b) Other than as represented herein by the Authority, the Developer acknowledges that the Authority makes no representations or warranties as to the condition of the soils on the Development Property or its fitness for its intended use and for construction of the Minimum Improvements or any other purpose for which the Developer may make use of such property.

(c) After execution of this Agreement and within thirty (30) days thereafter, the Developer may notify the Authority of its desire to undertake tests and inspections of the Development Property regarding the presence of pollution, contamination or hazardous substances on the Development Property and the suitability of the soils for the Developer's intended purposes. The Developer, and person or persons selected by Developer shall be permitted access to the Development Property for the purpose of conducting such studies and investigations of the Development Property as Developer deems appropriate, which studies and investigations shall be conducted at Developer's sole expense and pursuant to any other terms and conditions of this Agreement. Developer agrees to indemnify the Authority against any liability, cost or expense incurred by the Authority as a result of Developer's actions, including but not limited to fines, court costs, reasonable attorneys' fees and remedial costs. Such studies may include without limitation, physically inspecting the Development Property, conducting soil tests, and reviewing the Authority's records concerning the Development Property which records shall be made reasonably available to Developer within ten (10) days after execution of this Agreement, including prior studies, investigations and surveys, if any, in the Authority's possession.

(d) Other than as represented herein by the Authority, the Developer acquires the Development Property "as is." After execution of this Agreement and within thirty (30) days thereafter, the Developer may notify the Authority of its desire to undertake tests and inspections of the Development Property regarding the presence of pollution, contamination or hazardous substances on the Development Property and the suitability of the soils for the Developer's intended purposes, which studies and investigations shall be conducted at Developer's sole expense and pursuant to any other terms and conditions of this Agreement. In the event that the Developer, following such tests and inspections, determines in its sole judgment that the condition of the Development Property is unsuitable for its intended use and for construction of the Minimum Improvements, the Developer may terminate this Agreement and return the Development Property to its condition prior to undertaking such tests and inspections. Regardless of whether the Developer avails itself of the right to conduct tests and inspections on the Development Property pursuant to this Section 3.4, after closing the Authority shall have no obligation or liability to the Developer for any unsuitability with respect to the soil conditions or the presence of any pollution, contamination or hazardous substances on the Development Property. Notwithstanding any other provision herein to the contrary, if the Developer proceeds to closing within less than the period of time allowed in this Section 3.4 for testing, such action shall be deemed to be a waiver by the Developer of its right to test on the Development Property.

(e) The Authority does not know of any wells on the Development Property, and will so certify in the deed conveying the Development Property to the Developer.

Section 3.5. Conditions Precedent to Conveyance. Notwithstanding anything herein to the contrary, the Authority shall not be obligated to convey the Development Property to the Developer until the following conditions precedent have been satisfied:

(a) The Developer has submitted a commitment or other evidence of financing which is adequate, in the Authority's sole discretion, to fully finance construction of the Minimum Improvements;

(b) The Developer has submitted and the Authority has approved the Construction Plans;

(c) The Authority has held a public hearing and fulfilled all requirements of Minnesota Statutes, Section 469.105;

(d) There has been no Event of Default on the part of the Developer which has not been cured;

(e) The Authority has received approval from the City of New Prague City Council for the sale of the Development Property as contemplated in this Agreement; and

(f) All of the above condition precedents shall occur within the time frame established in Section 3.7 of this Agreement, unless extended by the Developer and the Authority. If such extension is not obtained, all earnest money and deposits shall be returned to the Developer within ten (10) days thereafter.

Section 3.6. Intentionally Omitted.

Section 3.7. Closing; Delivery and Recording. (a) Subject to the substantial satisfaction of all of the terms and conditions contained in this Agreement which must be satisfied prior to the Authority's conveyance of the Development Property to the Developer, the Authority shall execute and deliver the Development Property Deed to the Developer at closing. Closing shall occur on the Date of Closing which shall be the earlier of December 31st, 2024, or as soon thereafter as reasonably practicable, or as determined by the parties. The Developer shall have possession of the Development Property upon the Date of Closing. Closing shall be at the offices of the City, 118 Central Avenue North, New Prague, MN 56071 or such other location to which the parties may agree. Prior to closing, the Authority shall submit to the Developer a copy of the Development Property Deed and other closing documents for review. The Development Property Deed shall be in recordable form and shall be recorded among the County land records.

(b) On the Date of Closing, the Developer shall be responsible for and pay:

  - (3) one-half of the title company closing fees, if any; and

- (d) On the Date of Closing, the following costs will be paid on a pro rata basis in the year of closing between the Authority and the Developer:

Section 3.8. Attorney Costs. The Developer shall pay its own costs to prepare and review this Agreement and any other legal fees associated with the Development Property that are the responsibility of the Developer. ## **ARTICLE IV**

### **Construction of Minimum Improvements**

Section 4.1. Construction of Minimum Improvements. The Developer agrees that it will construct the Minimum Improvements on the Development Property in accordance with the Construction Plans and at all times prior to the Termination Date will devote the Development Property to its intended Use and maintain, preserve and keep the Minimum Improvements or cause

the Minimum Improvements to be maintained, preserved and kept in good repair and condition. The Developer recognizes that it is because the Developer has agreed will to devote the Development Property to its intended Use and to construct the Minimum Improvements that the Authority is willing to sell the Development Property to the Developer. The Developer acknowledges that, in addition to the requirements of this Agreement, construction of the Minimum Improvements will necessitate compliance with other reviews and approvals by the Authority and possibly other governmental agencies and review board of the Industrial Park and agrees to submit all applications for and pursue to their conclusion all other approvals needed prior to constructing the Minimum Improvements.

Section 4.2. Construction Plans. (a) Within ninety (90) days after execution of this Agreement, the Developer shall submit dated Construction Plans to the Authority. The Construction Plans shall provide for the construction of the Minimum Improvements and shall be in substantial conformity with the Preliminary Plans and this Agreement. The Authority will approve the Construction Plans if they (1) conform to the Preliminary Plans listed in Exhibit C attached hereto; (2) conform to all applicable federal, State and local laws, ordinances, rules and regulations; (3) are adequate to provide for the construction of the Minimum Improvements; (4) conform to the State building code; (5) if there has occurred no uncured Event of Default on the part of the Developer. No approval by the Authority shall relieve the Developer of the obligation to comply with the terms of this Agreement, the terms of any applicable federal, State and local laws, ordinances, rules and regulations in the construction of the Minimum Improvements. No approval by the Authority shall constitute a waiver of an Event of Default.

(b) If the Developer desires to make any change in the Construction Plans after their approval by the Authority, including any change to the design or materials of the Minimum Improvements or any other change which would also require review or reapproval under any applicable code, ordinance or regulation, the Developer shall submit the proposed change to the Authority for its approval. If the proposed change conforms to the requirements of this section 4.2 with respect to the original Construction Plans or is otherwise acceptable to the Authority, the Authority shall approve the proposed change. Such change in the Construction Plans shall be deemed approved by the Authority unless rejected, in whole or in part, by written notice by the Authority to the Developer, setting forth in detail the reasons therefor. Such rejection shall be made within ten (10) days after receipt of the written notice of such change from the Developer.

Section 4.3. Commencement and Completion of Construction. Subject to Unavoidable Delays, the Developer shall commence construction of the Minimum Improvements no later than thirty (30) days from the Date of Closing. Subject to Unavoidable Delays, the Developer shall have substantially completed the construction of the Minimum Improvements no later than twelve (12) months from the Date of Closing. All work with respect to the Minimum Improvements to be constructed or provided by the Developer on the Development Property shall be in conformity with the Construction Plans. The Developer shall make such reports to the Authority regarding construction of the Minimum Improvements as the Authority deems necessary or helpful in order to monitor progress on construction of the Minimum Improvements.

Section 4.4. Certificate of Completion and Release of Forfeiture. (a) After substantial completion of the Minimum Improvements in accordance with the Construction Plans and all terms

of this Agreement, the Authority will furnish the Developer with a Certificate of Completion and Release of Forfeiture in the form of Exhibit D hereto. Such certification by the Authority shall be a conclusive determination of satisfaction and termination of the agreements and covenants in this Agreement and in the Development Property Deed with respect to the obligations of the Developer to construct the Minimum Improvements and the dates for the beginning and completion thereof. The Certificate of Completion and Release of Forfeiture shall only be issued after issuance of a certificate of occupancy by the City.

(b) The Certificate of Completion and Release of Forfeiture provided for in this section 4.4 shall be in such form as will enable it to be recorded in the proper County office for the recordation of deeds and other instruments pertaining to the Development Property. If the Authority shall refuse or fail to provide such certification in accordance with the provisions of this section 4.4, the Authority shall, within thirty (30) days after written request by the Developer, provide the Developer with a written statement, indicating in adequate detail in what respects the Developer has failed to complete the Minimum Improvements in accordance with the provisions of the Agreement, or is otherwise in default of a material term of this Agreement, and what measures or acts will be necessary, in the opinion of the Authority, for the Developer to take or perform in order to obtain such certification.

Section 4.5. Reconstruction of Improvements. If the Minimum Improvements are damaged or destroyed before or after completion thereof and issuance of a Certificate of Completion and Release of Forfeiture, but before the Termination Date, the Developer agrees, for itself and its successors and assigns, to reconstruct the Minimum Improvements to a value at least equal to the Minimum Market Value within one year of the date of the damage or destruction. No delay or failure by the Developer or any successor or assign to reconstruct the Minimum Improvements as required by this Section 4.5 shall alter or limit the Developer's obligations under this Agreement, which shall remain in full force and effect until the Termination Date. The Minimum Improvements shall be reconstructed in accordance with the approved Construction Plans, or such modifications thereto as may be requested by the Developer and approved by the Authority in accordance with Section 4.2 of this Agreement. The Developer's obligation to reconstruct the Minimum Improvements pursuant to this Section 4.5 shall end on the Termination Date.

## ARTICLE V

### Insurance

Section 5.1. Required Insurance. (a) The Developer agrees to provide and maintain at all times during the process of constructing the Minimum Improvements and, from time to time at the request of the Authority, furnish the Authority with proof of payment of premiums on:

(i) Builder's risk insurance, written on the so-called "Builder's Risk -- Completed Value Basis," in an amount equal to one hundred percent (100%) of the insurable value of the Minimum Improvements at the date of completion, and with coverage available in non-reporting form on the so-called "all risk" form of policy;

(ii) Comprehensive general liability insurance (including operations, contingent liability, operations of subcontractors, completed operations and contractual liability insurance) together with an Owner's Contractor's Policy with limits against bodily injury and property damage of not less than \$1,000,000 for each occurrence (to accomplish the above - required limits, an umbrella excess liability policy may be used); and

(iii) Workers' compensation insurance, with statutory coverage.

The policies of insurance required pursuant to clauses (i) and (ii) above shall be in form and content reasonably satisfactory to the Authority and shall be placed with financially sound and reputable insurers licensed to transact business in Minnesota. The policy of insurance delivered pursuant to clause (i) above shall contain an agreement of the insurer to give not less than sixty (60) days' advance written notice to the Authority in the event of cancellation of such policy or change affecting the coverage thereunder.

(b) Upon completion of construction of the Minimum Improvements, and prior to the Termination Date, the Developer shall maintain, or cause to be maintained, at its cost and expense, and from time to time at the request of the Authority shall furnish proof of the payment of premiums on, insurance as follows:

(i) Insurance against loss and/or damage to the Minimum Improvements under a policy or policies covering such risks as are ordinarily insured against by similar businesses, including (without limiting the generality of the foregoing) fire, extended coverage, vandalism and malicious mischief, heating system explosion, water damage, demolition cost, debris removal, collapse and flood, in an amount not less than the full insurable replacement value of the Minimum Improvements or the Minimum Market Value, whichever is greater. No policy of insurance shall be so written that the proceeds thereof will produce less than the minimum coverage required by the preceding sentence, by reason of coinsurance provisions or otherwise, without the prior consent thereto in writing by the Authority. The term "full insurable replacement value" shall mean the actual replacement cost of the Minimum Improvements and shall be determined from time to time at the request of the Authority, but not more frequently than once every three years, by an insurance consultant or insurer, selected and paid for by the Developer and approved by the Authority; and

(ii) Such other insurance, including worker's compensation insurance respecting all employees of the Developer, in such amount as is customarily carried by like organizations engaged in like activities of comparable size and liability exposure; provided that the Developer may be self-insured with respect to all or any part of its liability for worker's compensation.

Section 5.2. Evidence of Insurance. All insurance required in this Article V shall be taken out and maintained in responsible insurance companies selected by the Developer which are authorized under the laws of Minnesota to assume the risks covered thereby. The Developer agrees to deposit annually with the Authority copies of policies evidencing all such insurance, or a certificate or certificates or binders of the respective insurers stating that such insurance is in force

and effect. Unless otherwise provided in this Article V, each policy shall contain a provision that the insurer shall not cancel nor materially modify it without giving written notice to the Developer and the Authority at least sixty (60) days before the cancellation or modification becomes effective (ten (10) days for non-payment of premium). Not less than fifteen (15) days prior to the expiration of any policy, the Developer shall furnish the Authority evidence satisfactory to the Authority that the policy has been renewed or replaced by another policy conforming to the provisions of this Article V, or that there is no necessity therefor under the terms of this Agreement. In lieu of separate policies, the Developer may maintain a single policy, blanket or umbrella policies, or a combination thereof, having the coverage required herein, in which event the Developer shall deposit with the Authority a certificate or certificates of the respective insurers as to the amount of coverage in force upon the Minimum Improvements.

## **ARTICLE VI**

### **Collection of Taxes**

Section 6.1. Taxes. The Developer agrees that prior to the Termination Date: (1) it will not seek administrative or judicial review of the applicability of any tax statute determined by any Tax Official to be applicable to the Minimum Improvements or the Development Property or raise the inapplicability of any such tax statute as a defense in any proceedings, including delinquent tax proceedings; (2) it will not seek administrative or judicial review of the constitutionality of any tax statute determined by any Tax Official to be applicable to the Minimum Improvements or the Development Property or raise the unconstitutionality of any such tax statute as a defense in any proceedings, including delinquent tax proceedings; (3) it will not cause a reduction in the Minimum Market Value paid in respect of the Minimum Improvements through:

- (a) willful destruction of the Minimum Improvements or any part thereof;
- (b) willful refusal to reconstruct damaged or destroyed property pursuant to section 4.5 of this Agreement;
- (c) a request to the County assessor to reduce the Minimum Market Value of all or any portion of the Minimum Improvements;
- (d) a petition to the board of equalization of the County to reduce the Minimum Market Value of all or any portion of the Development Property;
- (e) a petition to the board of equalization of the State or the commissioner of revenue of the State to reduce the Minimum Market Value of all or any portion of the Development Property;
- (f) an action in a district court of the State or the tax court of the State seeking a reduction in the Minimum Market Value of the Development Property;
- (g) an application to the commissioner of revenue of the State or to any local taxing jurisdiction requesting an abatement of real property taxes;

(h) any other proceedings, whether administrative, legal or equitable, with any administrative body within the County or the State or with any court of the State or the federal government; or

(i) a transfer of the Development Property or Minimum Improvements, or any part thereof, to an entity exempt from the payment of real property taxes under State law.

The Developer shall not, prior to the Termination Date, apply for a deferral of property tax on the Development Property or the Minimum Improvements.

Section 6.2. Right to Collect Delinquent Taxes. The Developer understands that the real estate taxes on the Development Property and the Minimum Improvements must be promptly and timely paid. To that end, the Developer agrees for itself, its successors and assigns, in addition to the obligation pursuant to statute to pay real estate taxes, that the Developer is also obligated at all times prior to the Termination Date by reason of this Agreement to pay before delinquency all real estate taxes assessed against the Development Property and the Minimum Improvements. The Developer acknowledges that at all times prior to the Termination Date this obligation creates a contractual right on behalf of the Authority to sue the Developer or its successors and assigns to collect delinquent real estate taxes and any penalty or interest thereon and to pay over the same as a tax payment to the County auditor. In any such suit, the Authority shall also be entitled to recover its reasonable out-of-pocket costs, expenses and attorney fees.

## ARTICLE VII

### **Prohibition Against Sale; Encumbrances; Indemnification**

Section 7.1. Prohibition Against Sale of Minimum Improvements. The Developer represents and agrees that its use of the Development Property and its other undertakings pursuant to the Agreement, are, and will be, for the purpose of development of the Development Property and not for speculation in land holding. The Developer further recognizes that in view of the importance of the construction of the Minimum Improvements on the Development Property to the general welfare of New Prague, the fact that any act or transaction involving or resulting in a significant change in the identity of the Developer is of particular concern to the Authority. The Developer further recognizes that it is because of such qualifications and identity that the Authority is entering into the Agreement with the Developer, and, in so doing, is further willing to accept and rely on the obligations of the Developer for the faithful performance of all undertakings and covenants hereby by it to be performed. For the foregoing reasons, the Developer represents and agrees that, prior to the issuance of the Certificate of Completion and Release of Forfeiture, there shall be no Sale of the Development Property or the Minimum Improvements by the Developer nor shall the Developer suffer any such Sale to be made, without the prior written approval of the Authority.

Section 7.2. Limitation Upon Encumbrance of Development Property. Prior to the issuance of the Certificate of Completion and Release of Forfeiture, the Developer agrees not to engage in any financing creating any mortgage or other encumbrance or lien upon the Development Property or the Minimum Improvements, whether by express agreement or operation of law, or suffer any

encumbrance or lien to be made on or attached to the Development Property or the Minimum Improvements, other than the liens or encumbrances directly and solely related to the purchase of the Development Property and the construction of the Minimum Improvements and approved by the Authority, which approval shall not be withheld or delayed unreasonably if the Authority determines that such lien or encumbrance will not threaten its security in the Development Property or the Minimum Improvements.

Section 7.3. Release and Indemnification Covenants. (a) Except for any misrepresentation or any willful or wanton misconduct or negligence of the Authority or the governing body members, officers, agents, servants, consultants and employees thereof (the “Indemnified Parties”), and except for any breach by the Indemnified Parties of their representative’s obligations under this Agreement, the Indemnified Parties shall not be liable for and the Developer shall indemnify and hold harmless the Indemnified Parties against any loss or damage to property or any injury to or death of any person (collectively, the “Claim”) occurring at or about or resulting from any defect in the portion of the Development Property or the Minimum Improvements owned by Developer at the time the Claim occurred.

(b) Except for any misrepresentation or any willful or wanton misconduct or negligence of the Indemnified Parties, and except for any breach by any of the Indemnified Parties of their representative’s obligations under this Agreement, the Developer agrees to protect and defend the Indemnified Parties, now and forever, and further agrees to hold the aforesaid harmless from any claim, demand, suit, action or other proceeding whatsoever by any person or entity whatsoever arising from the acquisition, construction, installation, ownership, maintenance and operation of the Development Property or the Minimum Improvements (collectively, the “Claim”); provided, however, notwithstanding the foregoing, the Developer’s indemnification and hold harmless shall apply only with regard to the portion of the Development Property or Minimum Improvements owned by the Developer at the time the Claim occurred.

(c) Except for any misrepresentation or any willful or wanton misconduct or negligence of the Indemnified Parties, and except for any breach by any of the Indemnified Parties of their representations and obligations under this Agreement, the Indemnified Parties shall not be liable for any damage or injury to the persons or property of the Developer or its officers, agents, servants or employees or any other person who may be about the Development Property or Minimum Improvements (collectively, the “Claims”) owned by the Developer at the time of the Claim.

(d) All covenants, stipulations, promises, agreements and obligations of the Authority contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of such entities and not of any governing body member, officer, agent, servant or employee of such entities in the individual capacity thereof.

## ARTICLE VIII

### Events of Default

Section 8.1. Events of Default Defined. Each and every one of the following shall be an Event of Default under this Agreement:

- (a) Failure by the Authority or the Developer to proceed to closing on the Development Property after compliance with or the occurrence of all conditions precedent to closing;
- (b) Failure by the Developer to commence and complete construction of the Minimum Improvements pursuant to the terms, conditions and limitations of Article IV of this Agreement, including the timing thereof, unless such failure is caused by an Unavoidable Delay;
- (c) Failure by the Developer to pay real estate taxes or special assessments on the Development Property and Minimum Improvements as they become due;
- (d) Appeal or challenge by the Developer or any party on its behalf of the Minimum Market Value prior to the Termination Date;
- (e) Use by the Developer or others of the Minimum Improvements for purposes other than those contemplated and permitted by this Agreement, including failure to comply with Sections 9.3 and 9.10 of this Agreement;
- (f) Transfer or Sale of the Development Property or the Minimum Improvements or any part thereof by the Developer in violation of Sections 6.1 or 7.1 of this Agreement and without the prior written permission by the Authority;
- (g) If the Developer shall file a petition in bankruptcy, or shall make an assignment for the benefit of its creditors or shall consent to the appointment of a receiver; or
- (h) Failure by either party to observe or perform any material covenant, condition, obligation or agreement on its part to be observed or performed under this Agreement or the Assessment Agreement.

Section 8.2. Remedies on Default. Whenever any Event of Default referred to in Section 8.1 of this Agreement occurs, the non-defaulting party may take any one or more of the following actions after providing 30 days written notice to the defaulting party of the Event of Default, but only if the Event of Default has not been cured within said thirty days or, if the Event of Default is by its nature incurable within 30 days, the defaulting party does not provide assurances to the non-defaulting party reasonably satisfactory to the non-defaulting party that the Event of Default will be cured and will be cured as soon as reasonably possible:

- (a) Suspend its performance under this Agreement, including refusing to close on the Development Property, until it receives assurances from the defaulting party, deemed adequate by

the non-defaulting party, that the defaulting party will cure its default and continue its performance under this Agreement;

(b) Terminate or rescind this Agreement;

(c) If the default occurs prior to completion of the Minimum Improvements, the Authority may withhold the Certificate of Completion and Release of Forfeiture;

(d) If the default occurs prior to issuance of the Certificate of Completion and Release of Forfeiture, revert title in the name of the Authority pursuant to Section 8.3 of this Agreement;

(e) Take whatever action, including legal or administrative action, which may appear necessary or desirable to the non-defaulting party to collect any payments due under this Agreement, or to enforce performance and observance of any obligation, agreement, or covenant of the defaulting party under this Agreement; and

(f) If the Developer's default occurs prior to the Date of Closing, the Authority may retain any and all earnest money paid by the Developer pursuant to Section 3.1 of this Agreement.

Section 8.3. Revesting Interest in the Authority Upon Happening of Event of Default Subsequent to Conveyance to Developer. Pursuant to the requirements of Minnesota Statutes, Section 469.105, subd. 6, in the event that subsequent to conveyance of the Development Property to the Developer and prior to the issuance of a Certificate of Completion and Release of Forfeiture for the Minimum Improvements:

(a) the Developer, subject to Unavoidable Delays, fails to begin construction of the Minimum Improvements in conformity with this Agreement and such failure to begin construction is not cured within 30 days after written notice from the Authority to the Developer to do so; or

(b) subject to Unavoidable Delays, the Developer, after commencement of the construction of the Minimum Improvements, fails to carry out its obligations with respect to the completion of construction of the Minimum Improvements (including the nature and the date for the completion thereof), or abandons or substantially suspends construction work, and any such failure, abandonment, or suspension shall not be cured, ended, or remedied within 30 days after written demand from the Authority to the Developer to do so; or

(c) the Developer shall fail to pay real estate taxes or assessments on the Development Property when due, or shall place thereon any encumbrance or lien unauthorized by this Agreement, or shall suffer any levy or attachment to be made, or any materialmen's or mechanics' lien, or any other unauthorized encumbrance or lien to attach, and such taxes or assessments shall not have been paid, or the encumbrance or lien removed or discharged or provision satisfactory to the Authority made for such payment, removal, or discharge, within 30 days after written demand by the Authority to do so or such longer period, not to exceed 60 days, as may reasonably be necessary to remove said lien or encumbrance; provided, that if the Developer shall first notify the Authority of its intention to do so, it may in good faith contest any mechanics' or other lien to remain undischarged and unsatisfied during the period of such contest and any appeal, but only if the

Developer provides the Authority with a bank letter of credit or other security in the amount of the lien, in a form satisfactory to the Authority, pursuant to which the bank will pay to the Authority the amount of any lien in the event the lien is finally determined to be valid or, as an alternative to such forms of security, has made a deposit with the district court in the manner provided in Minnesota Statutes, section 514.10. During the course of such contest, the Developer shall keep the Authority informed respecting the status of such defense; or

(d) there is, in violation of Sections 6.1 or 7.1 of this Agreement, any transfer of the Development Property to an entity exempt from payment of real estate taxes or any Sale of the Development Property or the Minimum Improvements or any part thereof, and such violation shall not be cured within 30 days after written demand by the Authority to the Developer;

Then the Authority shall have the right to re-enter and take possession of the Development Property and to terminate and revest in the Authority the interest of the Developer in the Development Property; provided, however, that any exercise by the Authority of its rights or remedies hereunder shall always be subject to and limited by, and shall not defeat, render invalid or limit in any way the lien of any mortgage or other encumbrance specifically and previously authorized by the Authority in writing under this Agreement or any rights or interests provided in this Agreement for the protection of the holders of an approved encumbrance.

Section 8.4. Resale of Reacquired Development Property; Disposition of Proceeds. Upon the revesting in the Authority of title to and/or possession of the Development Property or any part thereof as provided herein, the Authority shall, pursuant to its responsibilities under law, use its best efforts to sell the Development Property or part thereof as soon and in such manner as the Authority shall find feasible and consistent with the objectives of such law to a qualified and responsible party or parties (as determined by the Authority) who will assume the obligation of making or completing the Minimum Improvements or such other improvements in their stead as shall be satisfactory to the Authority in accordance with the uses specified for such Development Property or part thereof. During any time while the Authority has title to and/or possession of a parcel obtained by reverter, the Authority will not disturb the rights of any owner of any housing unit on such parcel. Upon resale of the Development Property, the proceeds thereof shall be applied:

(a) First, to reimburse the Authority for all costs and expenses incurred by them, including but not limited to salaries of personnel, in connection with the recapture, management, and resale of the Development Property (but less any income derived by the Authority from the property or part thereof in connection with such management); all taxes, assessments, and water and sewer charges with respect to the Development Property or part thereof (or, in the event the Development Property is exempt from taxation or assessment or such charge during the period of ownership thereof by the Authority, an amount, if paid, equal to such taxes, assessments, or charges (as determined by the Authority assessing official) as would have been payable if the Development Property were not so exempt); any payments made or necessary to be made to discharge any encumbrances or liens existing on the Development Property or part thereof at the time of revesting of title thereto in the Authority or to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults or acts of the Developer, its successors or transferees; any expenditures made or obligations incurred with respect to the making or completion of the subject improvements or any part thereof on the Development Property or part

thereof; and any amounts otherwise owing the Authority by the Developer and its successor or transferee; and

(b) Second, to reimburse the Developer, its successor or transferee, up to the amount equal to the amount actually invested by it in making any of the subject improvements on the Development Property or part thereof.

(c) Any balance remaining after such reimbursements shall be retained by the Authority as its property.

Section 8.5. No Remedy Exclusive. No remedy herein conferred upon or reserved to the parties is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority or the Developer to exercise any remedy reserved to it, it shall not be necessary to give notice, other than such notice as may be required in Article IX of this Agreement.

Section 8.6. No Additional Waiver Implied by One Waiver. In the event any covenant or agreement contained in this Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

## ARTICLE IX

### Additional Provisions

Section 9.1. Conflict of Interests; Representatives Not Individually Liable. No officer, official, or employee of the Authority shall have any personal financial interest, direct or indirect, in this Agreement, nor shall any such officer, official, or employee participate in any decision relating to the Agreement which affects his or her personal financial interests, directly or indirectly. Section 9.4. Provisions Not Merged With Deed; No Merger of Representations, Warranties. None of the provisions, representations or warranties contained in this Agreement are intended to be merged into any instruments of conveyance delivered at closing or shall be merged by reason of delivery of the Development Property Deed, but instead shall survive closing, and the parties shall be bound accordingly. The Development Property Deed shall not be deemed to affect or impair the provisions and covenants of this Agreement.

Section 9.5. Notices and Demands. Except as otherwise expressly provided in this Agreement, any notice, demand, or other communication under the Agreement or any related document by either party to the other shall be sufficiently given or delivered if it is dispatched by registered or certified United States mail, postage prepaid, return receipt requested, or delivered personally to:

Section 9.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall constitute one and the same instrument.

Section 9.7. Disclaimer of Relationships. The Developer acknowledges that nothing contained in this Agreement nor any act by the Authority or the Developer shall be deemed or construed by the Developer or by any third person to create any relationship of third-party beneficiary, principal and agent, limited or general partner, or joint venture between the Authority and the Developer.

Section 9.8. Release of Claims. The Developer and the Developer's attorneys, agents, employees, former employees, insurers, heirs, administrators, representatives, successors and assigns, hereby releases and forever discharges the Authority, and its attorneys, agents, representatives, employees, former employees, insurers, heirs, executors and assigns of and from any and all past, present or future claims, demands, obligations, actions or causes of action, at law or in equity, whether arising by statute, common law or otherwise, and for all claims for damages, of whatever kind or nature, and for all claims for attorneys' fees, and costs and expenses, including but not limited to all claims of any kind arising out of the negotiation, Developer consideration, execution and performance of this Agreement between the parties.

Nothing contained in this paragraph 9.8. is intended to prevent the exercise of any rights available pursuant to this Agreement.

Section 9.9. Modification and Waiver. No purported amendment, modification or waiver of any provision of this Agreement shall be binding unless set forth in a written document signed by both the Authority and the Developer (in the case of amendments or modifications) or by the party to be charged thereby (in the case of waivers). Any waiver shall be limited to the circumstance or event specifically referenced in the written waiver document and shall not be deemed a waiver of any other term of this Agreement or of the same circumstance or event upon any recurrence thereof.

Section 9.10. Restrictions on Use. The Developer agrees that prior to the issuance of the Certificate of Completion and Release of Forfeiture, the Developer and its successors and assigns: (a) shall use the Development Property solely for the purpose of constructing and operating the Minimum Improvements pursuant to the terms of this Agreement and as defined by the definition of Use as set forth in this Agreement; (b) shall not discriminate upon the basis of race, color, creed, sex, national origin, or any other classification prohibited by law in the lease, rental, use or occupancy of any portion of the Minimum Improvements on the Development Property or any improvements erected or to be erected thereon, or any part thereof; and (c) shall otherwise comply with the restrictions on use set forth in this Agreement.

Section 9.11. Titles of Articles and Sections. Any titles of the several parts, Articles, and Sections of this Agreement are inserted for convenience of reference only and shall be disregarded in construing or interpreting any of its provisions.

Section 9.12. Attorney Fees. Whenever any Event of Default occurs and if the Authority shall employ attorneys or incur other expenses for the collection of payments due or to become due, or for the enforcement of performance or observance of any obligation or agreement on the part of the Developer under this Agreement, the Developer agrees that it shall, within ten days of written demand by the Authority, pay to the Authority the reasonable fees of such attorneys and such other expenses so incurred by the Authority.

Section 9.13. Choice of Law and Venue; Interpretation. This Agreement shall be governed by, enforced and construed in accordance with the laws of the State of Minnesota. Any disputes, controversies, or claims arising out of this Agreement shall be heard in the state or federal courts of Minnesota, and all parties to this Agreement waive any objection to the jurisdiction of these courts, whether based on convenience or otherwise.

Section 9.14. Entire Agreement. This Agreement constitutes the entire agreement between the parties pertaining to its subject matter and it supersedes all prior contemporaneous agreements, representations, and understandings of the parties pertaining to the subject matter of this Agreement. This Agreement may be modified, amended, terminated, or waived, in whole or in part, only by a writing signed by all of the parties.

Section 9.15. No Broker. The Authority represents that it has not engaged any real estate broker in connection with the sale of the Development Property. The Developer has engaged the
