TNT HEARING CERTIFICATION

The requirements to hold a special TNT public hearing, continuation hearing, and levy adoption hearing have been repealed. The exemption from holding a TNT public hearing if the current year levy increases less than the inflation percentage has also been repealed.

All counties, cities over 500 population, school districts and metropolitan special taxing districts will be required to hold a regularly scheduled meeting at which the budget and levy will be discussed and the public allowed to speak. The meeting must be between November 25 and December 30 and be held after 6:00 PM.

A taxing authority must notify the County Auditor of the time and place of the public meeting at the same time the proposed levy is certified, so it may be included in the parcel specific notice.
