PART B – PROJECT INFORMATION	
Project Title.	Oelwein Municipal Urban Trail System – Segment 4
Project Description.	<p>The project description entered in the space below should include summary details of only the project scope that is the subject of the funding request. Do not provide details of completed or future phases of a larger project. For a construction project, the description should include the facility name, brief description of the work to be completed, length of the project to be completed, the project end points or termini, and any existing connecting trails or facilities.</p> <p>Segment 4 consists of 1.3 miles of PCC trail that will be 8' in width to connect the existing trail system to City Park on the south side of Oelwein. The trail will connect with the existing trail on 6th Avenue SW and traverse 1.125 miles south of 6th Avenue then turn east and travel .25 miles along the north side of an existing field to connect to the campground at City Park.</p>
Is this application intended to be considered for funding as a Safe Routes to School (SRTS) project? If yes, Part E of this application form must be completed. If a SRTS construction project, the project must be located within 2 miles of a school serving students K-12.	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Is this application located immediately adjacent to a state-designated Iowa Byway? If yes, the project should be identified in the byway's adopted Corridor Management Plan and the application shall include an endorsement of the project by the local byway organization.	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
Upon completion, will the project be open to the public?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
Do you intend to charge a fee to users? If yes, how much will the fee be and how will the revenue be used?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
