Subject: Bulk Item Tickets

Date: 4/11/2022

The City in 2020 went from a spring clean up event to a reduced bulk item sticker. This allowed residents to place large items that do not fit in a can on the curb for pickup for just \$5.00 instead of \$15.00. This program has seen great success:

Stickers sold at \$5

- 2020 253
- 2021 464

The City Administrator recommends voting in favor of reducing bulk item stickers from \$15.00 to \$5.00 for May, June, July, and August. This process allows community members to buy a sticker, and place their item on the curb for easy pickup.
