

To the Council:

I would like you to consider taking the property of 208 8th Ave. S.W. & the adjoining lot as is. I can't afford to pay to fix it up or tear it down. I would not be responsible for the cost of tear down as you would be taking over this property and the empty lot next to it. You would also pay for closing costs. Thank you for your consideration!

Kinda Vestell.

I thought I had a buyer but that didn't work out.
