RE: New tank monitoring system

Tommy,

All of us at Dick's Petroleum Company would like to thank you for the opportunity to quote this project for you. If you have any questions or if I can be of further assistance, please contact me.

The following is our estimate for a new Franklin Fueling EVO 200 tank monitor and accessories for your location in Oelwein Iowa. This unit will have SCALD software for continual leak detection monitoring since you fuel 24/7.

There will be electrical work that needs to be done inside and outside of the control room that is not figured into this estimate. We will work with your electrician to get this project completed. However, he will need to mount and wire the new tank monitor and external alarm box and pull new probe wires before we can do the new probe installation and programming. There must also be CAT5 cable at the new tank monitor with an internet connection so we can program the monitor to send emails for inventory and other reports.

Installation will be done on a time and material basis but is estimated price is \$1,268.75, which is figured into the estimate amount.

The equipment is as follows:

### **TANK MONITOR**

- 1-EVO200D-T tank monitor with display and SCALD
- 2-Leak detection probes for 96" tanks
- 1-Diesel float kit 2"
- 1-Gas float kit 2"
- 2-Probe install kits
- 1-External printer
- 1-External overfill alarm box
- 1-Freight
- 1-Estimated labor for installation of probes and programming
- 1-Tank monitor operation certification

**TOTAL**

**\$16,643.75\***

\*Price does not include actual installation, electrical, sales tax and Dick's Petroleum Companies terms and conditions apply. The Internet and network must be up and running on the day of installation or you will be charged extra.

## **TERMS AND CONDITIONS**

This quotation is good for 30 days and then is subject to supplier price increase. To make sure these prices are still current, call for verification. Any vendor price increases will be forwarded on to the customer with a reasonable markup. We may withdraw this quotation if not accepted within 90 days.

The equipment in this quotation carries the manufacturer's warranty only, which will be passed from the seller to the buyer according to the manufacturer's policy. No other warranties are either expressed or inferred. Trade-in of old equipment is figured into this price.

Only non-union labor is figured in our final quotation price. If for some reason union labor is required, the difference between the cost of non-union and union labor will be the responsibility of the customer.

All material is guaranteed to be as specified, and the above work to be performed in accordance with the drawings and/or specifications submitted for the above work and completed in a substantial skillful manner for the sum of sixteen thousand six hundred forty-three and 75/100 dollars (\$16,643.75) plus sales tax. Actual installation cost will be calculated into final billing.

With payment as follows: Progressive billing will be made not to exceed labor, equipment and services to date. Delivery to our plant for the purpose of convenience and or coordination shall be considered "delivery for billing purposes." Balance is due 10 days after invoicing. 1 1/2% per month financing charges, starting the 11<sup>th</sup> day, will apply to past due accounts and reasonable legal fees in the event of a default by either party. This agreement shall be deemed to have been made in Bremer County, Iowa, and, if a dispute arises between the parties hereto, it is agreed under the terms and provisions of this agreement that the laws of the state of Iowa shall govern, and that any litigation will be in the Bremer County District Court.

**Persons or companies furnishing labor or materials for the improvement of real property may enforce a lien upon the improved property if they are not paid for their contributions, even if the parties have no direct contractual relationship with the owner. The state construction registry provides a listing of all persons or companies furnishing labor or materials who have posted a lien or who may post a lien upon the improved property.**

**The state construction registry can be found at [www.sos.iowa.gov/mnlr](http://www.sos.iowa.gov/mnlr), and the toll-free telephone number for the state construction registry is 888-767-8683.**

All quotations based on normal conditions. In the event any of the following are encountered and are not made known, Dick's Petroleum Company shall not be held responsible: underground structures, cables, conduits, water, sewer, telephone lines, or any other unknown. Under no circumstances will Dick's Petroleum Company be held responsible for cave-ins, unusual water table levels, sandy soil, rocks, or any developments not encountered under normal circumstances. Any unforeseen problems, changes, alterations, or deviations, to the above-submitted bid, will be done on a time and material basis. Expenses incurred due to inclement weather will be passed onto the customer. Dick's Petroleum is not to be held liable for any state or local

laws that may change once contract has been signed. These changes will be billed at time and material. The attached bid is only good on final approval of State Fire Marshall, or other state and or local agencies where applicable.

Respectfully Submitted,

Michael R. Sprague, President

### **ACCEPTANCE OF PROPOSAL**

The above prices, specifications and conditions, are satisfactory and are hereby accepted. You are authorized to do this work as specified. Payment will be made as outlined above.
