Landfill

This charge is so that residents can use the landfill/transfer station. Each property pays a set amount to take garbage to the transfer station or have it hauled to the transfer station.

Garbage and Recycling

This fee for the single hauler service for residential customers. This fee pays for taking trash from bins to the transfer station. This also pays for the single hauler to take recycling.

Administrative Fee

This fee is the charge for the city to administer for the single hauler program.

Recycling

This fee allows properties to use the blue bins in Oelwein. The Landfill commission provides this service to all residents of the county on a fixed fee.

Tree Utility

This fee pays for the yard waste site and allows residents to use the site for trees, twigs, and leaves. This fee also pays for maintenance of right of way trees.
