**To:** Mayor, Council  
City Administrator Dylan Mulfinger

**From:** Oelwein Trails Committee  
Park Superintendent – Joshua Johnson

**Subject:** Trail Segment 2

After five years of planning and acquiring needed easements, it is time to move forward with the completion of trail segment two from the viaduct to the existing trail in Redgate park. The trails committee has worked diligently to complete this trail segment and raised additional funding to complete this trail segment.

Funding has come from several sources to complete this approved trail project. A private donation from Betty Tribon in the amount of \$83,737.18 that the committee received recently will go towards the memorial bridge through the cemetery. The committee received the highly competitive, statewide \$100,000 REAP grant through the Iowa DNR for this project. The remaining funds were provided by the Northeast Iowa Charitable Foundation. Thank you.

Oelwein Trails Committee  
Joshua Johnson MA  
Oelwein Park Superintendent
