

To: Oelwein Public Safety Committee

From: Dylan Mulfinger, City Administrator

Subject: No Overnight Parking North Frederick

Policy Date: 6/27/2022

---

The City Administrator was asked to research the option of no overnight parking on the 100 block of North Frederick.

Staff provided the following comments:

*The no parking 2 a.m. to 6 a.m. would benefit snow removal and street cleaning, while easing the issue of one property having 6 to 8 cars parked on the road.*

*Staff also discussed consideration of an additional restriction of 2 hour parking to prevent daytime issues. It would be labor intensive to monitor, but would certainly resolve the issue.*
