Describe past experience which would benefit the board or commission applied for:

I worked with several State of Iowa County Conservation systems including, Webster Co., Fayette Co., Black Hawk Co., & Howard Co. During that time planted over 150,000 trees by hand & with the use of a pull behind tractor TREE planter. I worked with private property owners developing tree planting plans, helped them select appropriate species for their property

Describe the qualities and attributes you possess that would be of benefit to the board or commission applied for:

I get along well with people, and have alot of experience working with the Public Sector. I'm familiar with the importance of trees in our landscape

Describe your desire to serve on this board of commission:

I would like to see the city of Delweir maintain a good inventory of growing trees. There benefits are many

Describe similar volunteer experiences:

I have been involved with several service Agencies in the past & still am however most of my time has not been tree related. However my work experiences dealt heavily with selecting trees, making planting plans, planting, watering, trimming, & tree maintenance

Describe any goals and/or objectives you envision for the board/commission:

The Emerald Ash Bore Invasion will have to be dealt with. Many trees will have to be removed and replacement trees put in

Any additional information or comments you wish to offer:

It is nice that City of Delweir has a tree Board that can serve as a unit to promote and work to preserve trees within its limits
