

**PROJECT TITLE:**

**WINGS PARK TRAIL ADDITION**

**COST: \$155,300**

**START DATE: 2019**

**END DATE: 2020**

**FUNDING SOURCES:**

- CITY OF OELWEIN: \$25,000
- WELLMARK FOUNDATION: \$87,353
- POLLARK FAMILY: \$10,000
- NEICF: \$8,814
- PRIVATE DONATIONS/IN-KIND WORK: \$24,133

**PROJECT DESCRIPTION:** The trails committee and I took \$25,000 in the trails fund and multiplied it by a factor of 6 to complete this trails project. We removed an older bridge and replaced it with a safe and visually stunning bridge that will stand for generations. The trail just stopped randomly at the end of the bridge in the middle of the park before this project. The City completed the trail to connect it to the aquatic center and created a trailhead at 3<sup>rd</sup> St. NE. Thus, creating safe passage for summer school kids to the aquatic center for swim lessons and creating excitement in this community about building trails.
