- (a) The structure is a public nuisance threatening to the health, safety, or welfare of the public which **must be removed and the ground upon which it stands leveled;**

Action must be taken by the owner within 10 days of receiving this notice.

If the structure is not removed and the ground leveled within such time period, the matter of its removal will be heard, by the Housing Appeals Board on a date stated in the notice.

If an owner or other person with a property interest wishes to contest the Code Enforcement Officer's determination or to otherwise contest the intended action at the hearing, the person must file a written statement with the city clerk within five days of receipt of the notice, setting forth the reasons why the action should not be ordered by the Housing Appeals Board. The city clerk shall distribute this filing to the Housing Appeals Board, the city manager, and the city attorney before the date of such hearing. Failure to file a statement shall be deemed a

waiver of the right to present evidence in opposition to the Code Enforcement Officer's determination, or to otherwise contest such action.

If the Housing Appeals Board finds that a public nuisance exists and confirms the action of the Code Enforcement Officer, it may:

- (1) Order prompt demolition, removal and the leveling of the property and direct that all costs attendant to the action, including administrative costs, be either assessed against the property or collected from the owner thereof;
- (2) Extend the time for the owner to demolish and remove the structure and level the property;
- (3) Direct that the legal department file an action in district court to secure an order directing the abatement of the nuisance; or
- (4) Determine that such property should not be demolished and direct such other action as it finds appropriate.
