FROM: Joshua Johnson MA Parks Superintendent

TO: City Administrator Dylan Mulfinger – Mayor Brett Devore – Oelwein City Council

SUBJECT: Woodlawn Cemetery Entrance Sign

DATE: 04-23-2020

It is with delight that we can bring this project to the Oelwein City Council. This past year I have had several discussions with Oelwein resident, Mr. Dave Sondrol as he has expressed interest in funding a new sign for Woodlawn Cemetery. Mr. Sondrol has since donated the money to replace the old wooden sign and purchase a new stone sign for Woodlawn Cemetery with his own funds. Mr. Sondrol would like to utilize local contractor Jared Stewart to complete the foundation work, and stonework. The park and recreation commission has already approved this sign project. The main stone would come out of Stone City from the Weber Stone Company that will be 8.5' long, 4' tall and 8" in thickness. The end caps would be composed of veneer Iowa limestone. The sign would read "Woodlawn Cemetery" in 10" lettering with the established date of 1907 on the bottom left-hand corner in 6" lettering. This sign would be similar in appearance as the "Welcome to Oelwein" signs already in place at the edges of town. The only difference would be that there would only be one end piece with the flagstone instead of the two end pieces on the existing welcome signs. Mr. Sondrol's only other request would be to place a small bronze plaque (approximately 10" square) on the south edge of the sign in the flagstone, stating in remembrance of the Sondrol family. It is recommended that the City honor Mr. Sondrol's wishes and utilize the following contractors:

StewartScape, Inc.	Oelwein	\$9,930.54
Weber Stone Co.	Anamosa	<u>\$4,867.50</u>
		\$14,798.04
