

Memo

To: Honorable Mayor & City Council,

From: Utility Superintendent Victor Kane

CC: City Administrator Dylan Mulfinger

Reference: Road Tile - Wings East Addition

Date: 04/06/21

Greetings,

Last fall we were unable to complete this project due to timing and contractor workloads. We have now received 2 estimates for the installation of the drainage tile along 13th Ave NE in the Wings East Addition. This is for the City portion only and does not include any of the private hookups requested to tie into this line.

Oasis Pump Service estimated \$31,872.00.

West Union Trenching estimated \$10,700.00.

I recommend that we hire West Union Trenching to complete this project.

Thank you for your time.

Victor Kane
