Subject: Fayette County Fair Funding Request
Date: 2/23/2026

The city has a history of providing funding to the Fayette County Fair. This funding went toward the carnival making it free for children.

Below is the funding:

Year	Amount
2018	\$1,000
2019	\$5,000
2020	\$6,000
2021	\$6,000
2022	\$6,000
2023	\$5,000

In May of 2024, the City Council voted no to fair funding. Attached are the minutes from a work session showing the recommendation to the city council.

While the hotel motel has more funding this year than normal, the fund will usually have \$25,000 each year to provide. Almost half of this will be used by the Williams Wellness Center.
