

Email potential sponsors / ^{Volunteers} for ^{and} sponsorships

- breakfasts
- 5K Run
- < 5 kid games - Zion
- Beer garden
- Stage events / Bands
- Fireworks
- Inflatables

Good evening,

Thank you for providing us¹ with ^{the Delwin Celebration Committee}
an opportunity to share our tentative plans
for 2021.

Thus far, plans are in process
to relocate our celebration to the
downtown area in order to allow
for members of our community with
no vehicle ^{easier} ^{provide more parking...} way to come, involve our
local businesses, and expand our event
to help other organizations too.
(Discuss location/map)

If approved to change locations,
we are planning to open the event on
Thursday, June 3, 2021 with a

night dedicated to the youth in our area. A BBA contest sponsored by the Youth (YSF) will take

place. This will be a one-night event.

Awards ^{for the BBA contest} will be given followed by a variety

of activities for families and students.

^{(ideas: movie nights w/ the Grand Theatre, teen dance, street board games, talent shows, (this year) projects)}

Friday, June 4th, we hope to have

our downtown businesses encourage sidewalk

sales or customer appreciation things to

draw in more people ^{during the day}. The parade

would move to Friday night. We are ^{wanting encourage}

we're still planning to host fireworks, but

with location yet unknown, we want to

determine the parade route after the

location is known.

Saturday, June 5th, we would like to ask a community group to host a breakfast as a fundraiser for themselves. We've discussed asking the ^{VFW} Masonic Lodge ~~and~~ the American Legion. ~~Maybe~~ Maybe the Delven Fire Dept could resurrect the water games they'd had years ago ~~to kick off or~~ finish a 5K ^{color} run.

We will have inflatables and other games, live music, and many of activities we would have ~~at~~ at the park - just down town.

To finish the weekend, we will have another breakfast by a community group again and have our community worship/service
