

City of Delwein

We, Arthur & Sherry Meike want to appeal the charge of vicious dog. Our dog, Charlie is not a mean dog the neighbors white german shepherd charges our fence to prevoke Charlie an runs away leaving the little shitzue ~~is left~~ on a chain. We know that Charlie is in the wrong but does not deserve to die. We are reinforcing our fence so he cant get under it and have purchased a fence covering to prevent the dogs from seeing each other We will always be out with Charlie. We have been in the

past since the last time Charlie
bit neighbors dog. But we wer
not home on the last insident
do to Arthur having surgery.

Thank You
Arthur and Sherry
Meike
