Code explanations:

After several discussions with Planning and Zoning, Board or Adjustment, and City Council, the city is moving forward with expanding sizes of accessory structures. Request for larger accessory structures continue to push this item.

After several discussions with Planning and Zoning, Board or Adjustment, and City Council, the city is moving forward with allowing new materials for siding as styles have changed. The city will not allow galvanized barn steel in any circumstances.

After several discussions with Planning and Zoning, Board or Adjustment, and City Council, the city is moving forward with creating one front yard for corner lots. This would clear up issues with building of accessory structures, fences, and required setbacks.
