To the Honorable Mayor and Members of the Oelwein City Council,

I am writing to respectfully request temporary no on-street parking and closure of South Frederick Ave between 1st Street SW and the entrance to the parking lot by Jon's Barber (see page 2) on Saturday April 25th from 700 hrs until 1800 hrs (7am – 6pm).

The purpose of this request is to allow for us to host our Annual BBQ Cookoff Contest. I also request city barricades for this event. Closing this section of the road during the requested time will help ensure the safety of contestants and attending public.

Thank you for considering this request.

Sincerely,

Kyle Randall

Oelwein Fire Fighters Foundation Secretary
