Project Identification

1. What is the title of your project?

Oelwein Coliseum Ballroom

Provide a brief description of your project. Attach additional pages, if needed.

The Oelwein Coliseum Ballroom is revitalizing its historic past and scheduling events for all ages. The Coliseum is having its first major event November 8, 2025 – a Military Dance to honor our area Veterans and active Military members and their support people.

2. Hotel and Motel Tax Funds must be used to fund projects that promote and/or expand tourism activity in Oelwein. How will your project help to realize this goal?

We are booking musical events that will bring local and area visitors as well as visitors that will need lodging. Visitors will visit stores and dine at restaurants in town since the Coliseum will not serve food other than snacks and pop.

3. Project Evaluation:

Projected number of adults the project will reach 300-500 per event

Projected number of youth the project will reach 150-300 per event

Geographic area of draw

We are advertising our events through most of NE Iowa as well as locally. These events may also draw visitors that follow the bands we will host.

Volunteers:

Number of volunteers 20

Number of volunteer hours 160

Attendance of event previous year(s) 300 for May 3, 2025 event

Day opens to public or performance(s)

The Coliseum is open on Friday nights from 6-9 pm for Hootenanny. Our first big event is November 8th from 6-9 pm. A flyer is attached.

4. Project Budget:

Please provide a project budget and schedule of completion including all expenses. If desired, the project budget may be attached to the application. If exact costs are not known please attach estimates to the application, which should be identified as such.

The project for the Military Dance on November 8th is the cost of the band. It is a 14 piece string band – a play bill is attached for reference.
The single door Refrigerated Merchandiser is for beer, wine, and seltzers.
The Bottle Cooler is a unit that will be used to cool the product prior to moving to the Merchandiser.
A project budget has been attached
Exact costs for the driveway project are not known at this time.

List sources of matching funds obtained below. Funding requests are eligible for up to 100% funding, but priority will be given to projects with additional sources of funding, including in-kind donations.

The driveway project has already expended \$2,510.30 for the grading and graveling of the ground. There were donations for this project with approximately \$2,000 remaining.
The band has no matching funds available at this time. The coolers have approximately \$1,000 for matching funds.
Many hours have been spent by volunteers preparing the Coliseum to be 'back in business' for events. Deep cleaning the kitchen, restrooms, cleaning chairs, emptying out and cleaning the bar room to prepare it for the serving of beer, wine, and seltzers.

Is this application "seed money" for a new project? If yes, please explain.

Is this application for the expansion of an existing project/program? If yes, please explain.

The coolers are part of the project/program that will provide a 'want' to many visitors, assisting in revitalizing the Coliseum Ballroom in an event center with its own niche.

Type	Description	Date	Amount	Vendor
Event	Military Dance Band	11/8/2025	\$ 3,800.00	Rod Pierson Big Band

			<u>\$ 9,369.00</u>	

In process of gathering bids:

The Coliseum is putting in a driveway on the north end of building. This driveway will be used for bands to unload their equipment closer to the stage. It will also be used for the Coliseum's dumpster which is currently placed (temporarily) in the city lot to the east.

Estimates are being received for the following work as required by the City and Alliant Energy:

There is a high pressure gas line that runs in the boulevard that Alliant Energy is requiring it have concrete put over the line

City code requires 6" depth for sidewalks, the current sidewalk (3 squares) is 4"

City is requiring concrete be put over the storm sewer line that goes from the street and dumps into the creek

The procedure is for the Coliseum to obtain a bid(s) for the concrete work. The bidder then needs to submit a plan to the City to review and approve. Any changes to the vendor's bid can then be made at which time the Coliseum will submit a request for Hotel/Motel Tax funds for the cost of this project.

The Coliseum has received some donations for this project and has paid \$2,510.30 to grade and rock the ground. Those donations will be deducted from the request.

AGREED!

We are very excited to have you guys perform.

We printed up posters yesterday and there is a District-Wide meeting of the American Legion TODAY where all of the post commanders will be in attendance.

We will give them each a poster to "post" at each A.L. location in anticipation of this event.

Perfect Timing!

We also have addresses for every V.F.W. Post in Fayette County and will be mailing them posters as well.

All of the Veterans in Fayette County "thank you for your service" in honoring them.

Sincerely,
