The amendment shown above shall not affect present retirement policy concerning sick leave cash out, in that employees retiring with twenty or more years of service with the City will receive one-half of their accumulated sick leave based on a maximum accumulation of 1200 hours. Accumulated hours in excess of 1200 shall not be considered when implementing sick leave cash out provisions.

Per Resolution 94-07 the Orland City Council indicated how the sick leave payout would be handled: "Employees retiring with more than twenty years or more service with the City of Orland will receive one-half of their accumulated sick leave. This money would be paid over eighteen months and the employee would have the option of having this money used to pay their health insurance premiums."

Options to Direct Leave Transfer. Employees shall have the option to contribute sick leave to a qualified 457 plan or to use the sick leave hours for PERS service credit at retirement.  - 1. To qualify for such leave, the employee will have suffered an illness or injury that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employees' family which incapacity requires the employee to take time off from work for an extended period of time to care for the family member, and taking extended time off work creates a financial hardship for the employee because he/she has exhausted all of his/her sick leave and other paid time off.
 - 2. A "member of the employees' family" for Catastrophic (Sick) Leave donation purposes shall be limited to spouse, life partner, children, mother, father or an individual over which the employee has legal guardianship.

1. If the request is approved, the City shall solicit unit members, on the approved form, for donations authorizing donation of sick leave hours for use pursuant to this section.
 2. The completed authorization forms shall be submitted to Human Resources.
 3. Donated sick leave hours will be deposited in a separate sick leave pool for each request and deducted from the donating employee's accumulated sick leave.
 4. The maximum donation an employee may contribute per year pursuant to this section is eighty (80) hours.
 5. In the event the hours are not used, those hours will be returned to the donating employees and credited to their accrued sick leave.

 - 3 weeks / year for 6 - 10 years of service
 - 4 weeks / year for 11 or more years of service

- C. Vacation time shall be accrued on a monthly basis after the first year of service.
- D. All vacation time off must have prior approval of the Chief of Police.
