

COST SHARE AGREEMENT FOR ENHANCED AMBULANCE SERVICES

This Cost Share Agreement ("Agreement") is entered into as of November 7, 2023, ("Effective Date") by and among the County of Glenn ("County"), and the City of Orland ("City"), for the purpose of allocating costs associated with the provision of one additional 12-hour ground ambulance for the exclusive and non-exclusive areas of Glenn County. The County and City are collectively referred to as the "Parties" for purpose of this Agreement.

RECITALS

1. Orland Community Ambulance Association dba Westside Ambulance Association ("Westside") has continually provided emergency ground ambulance services within certain geographical areas of Glenn County since 1939 and pursuant to the 'grandfathering' provision of California Health and Safety Code, Division 2.5, Section 1797.224, the County, through Sierra-Sacramento Valley Emergency Medical Services Agency ("S-SVEMSA"), entered into an Emergency Ground Ambulance Exclusive Operating Area (EOA) Agreement for certain geographical areas of Glenn County effective May 11, 2018, with an EOA agreement term of ten (10) years from the effective date of execution of said EOA agreement.
2. The Parties acknowledge that the provision of emergency ground ambulances service is an essential public safety service and desire to increase the deployment and availability of emergency ground ambulance resources within all geographical areas of Glenn County, at a level greater than that which has been previously provided by Westside and other non-exclusive ground ambulance providers in Glenn County.
3. The Parties agree that increasing the deployment and availability of emergency ground ambulance resources within Glenn County is not financially feasible/sustainable utilizing a fee-for-service reimbursement model at this time and believe that providing equipment and a financial subsidy to Westside for the sole purpose of increasing the deployment and availability of emergency ground ambulance resources within all geographical areas of Glenn County is necessary to ensure the public safety.
4. At the request of the Parties, Westside and S-SVEMSA will be entering into the attached draft Side Letter Agreement, or one substantially equivalent thereto, ("Side Letter Agreement"), for the deployment of one (1) additional emergency ground ambulance, preferably at the ALS level, staffed with a minimum of one (1) California licensed and S-SVEMSA accredited paramedic and one (1) California certified EMT or higher level EMS certified/ licensed individual, within its designated emergency ground ambulance zone in Glenn County on an ongoing 12-hour per day, 7-day per week, 365-day per year basis ("12-hour unit").
5. In furtherance thereof, County has agreed to purchase and equip an ambulance to be used by Westside to fulfill its obligations under the Side Letter Agreement and the Parties desire to enter into

against any and all liability, loss, damage, expense, costs (including without limitation costs and fees of litigation) of every nature arising out of or in connection with said party's performance of work hereunder to the extent such loss or damages which was caused by the negligence or willful misconduct of the party.

6. **Amendment.** This Agreement may be modified, amended, changed, added to, or subtracted from, by the mutual consent of the parties hereto, if such amendment or change is in written form and executed with the same formalities as this Agreement, and attached to the original Agreement to maintain continuity.

7. **Notice.** Any notice, communication, amendments, additions, or deletions to this Agreement, including change of address of either party during the terms of this Agreement, which City or County shall be required, or may desire, to make, shall be in writing and may be personally served, or sent by prepaid first class mail to, the respective parties as follows:
