Re: Engagement for Forensic Audit Services

Dear Ms. Reyes:

This letter confirms that Achievement Consulting Services has been retained by Angela Reyes, LLC to perform a forensic audit of certain financial records. The specific terms and objectives of our engagement are outlined below:

1. Objective and Scope of Work
Our investigation will focus on identifying potential financial irregularities regarding cash and cash equivalents in the City of Pahokee, FL. We will review relevant financial documents from fiscal years 2022 to fiscal 2025. Our work may include tracing funds, analyzing transaction patterns, interviewing personnel, and evaluating related internal control structures.

2. Responsibilities of Management
Management is responsible for providing our firm with complete, unrestricted access to all requested books, financial accounts, digital data, and personnel. Management agrees that all information provided will be factual, and that no relevant documentation will be withheld. We will not verify or audit this data beyond the investigation's specific forensic targets.

3. Limitations of the Investigation
A forensic audit relies heavily on the authenticity of documentation. Because fraud often involves sophisticated collusion, forgery, or systemic override, there is an inherent risk that some irregularities may remain undetected. This engagement is designed strictly for investigative findings and does not constitute a standard financial statement audit under GAAS.

4. Fees, Retainer, and Billing
Our fees are based on standard hourly billing rates for professional time:

- **Partners/Directors:** $175/hour
- **Senior Analysts:** $75/hour

The total engagement will not exceed $25,000. Work will commence upon receipt of a signed copy of this letter. Invoices are issued monthly and are payable upon receipt. We reserve the right to suspend or terminate services if invoices remain unpaid past 30 days.

5. Confidentiality and Use of Reports
All reports, findings, and schedules generated during this investigation are confidential and intended solely for the internal use of Angela Reyes, LLC and the City of Pahokee, FL. Our final written report may not be distributed to outside third parties without our prior express written permission.

If these terms accurately reflect your understanding of our agreement, please execute and return the signed copy below.

Sincerely,

Larry M. Spring
