

**TOWN OF PALMER LAKE  
BOARD OF TRUSTEES - AGENDA MEMO**

<b>DATE:</b> April 27, 2023	<b>ITEM NO.</b>	<b>SUBJECT:</b> Resolution to Amend the Town Star Lighting Policy
<b>Presented by:</b> Town Administrator /Clerk		

The enclosed policy was previously adopted and amended to include the annual hockey event. It has since been suggested and requested from multiple citizens to add the annual Veterans Day to the regular lighting. Language was edited for clarity.

Additionally, it is requested for the ease of planning, that one day per month be identified to honor citizen requests – ie., the first Sunday evening of each month for any approved requests. This schedule will assist the Firefighter Association to plan for any requested and approved star lighting.

Staff recommends approving the resolution to amend the town star lighting policy.
