

**TOWN OF PALMER LAKE
BOARD OF TRUSTEES - AGENDA MEMO**

DATE: April 27, 2023	ITEM NO.	SUBJECT: Ordinance to Extend the Emergency Sign Permit Moratorium
Presented by: Town Administrator /Clerk		

While the Planning Commission continues to work on a draft of the sign code, the approved six-month moratorium is coming to an end and thus, to provide additional time to PC to finalize an ordinance, staff requests that the moratorium for sign permits be extended.

Note: This does not take away the review and approval of sign permits. A recommendation for the drafted code will be provided for Board consideration once completed.
