

**TOWN OF PALMER LAKE
BOARD OF TRUSTEES - AGENDA MEMO**

DATE: April 14, 2022	ITEM NO.	SUBJECT:
Presented by: Town Administrator /Clerk		Resolution to Sign Letter of Support for Colorado Rural Water Assc (CRWA)

Background

Mr. Rick Autobee represents the Colorado Rural Water Association and is requesting a letter of support for funding to the apprenticeship program for water operators. Enclosed is a letter of support as staff intends to utilize this apprenticeship program in the coming year 2023, contingent upon Board approval in the upcoming budget cycle. In light of the shortage of young people developing in water operator positions, staff did begin discussions with Mr. Autobee to participate in an upcoming program. This letter supports the distribution of grant funds to the program, which may directly benefit the Town in the near future.
