Hello Dawn

Yes, we need an extension. We are in the process of the impact study. Mike Tucker is now involved because his lot is the one that is touching Hwy 105.

Thank you,

Jared, should we plan for the June Planning Commission meeting on 6/19 or do you want to request the hearing be continued?

Note: A review of the submittal, along with a completed land use application, still needs to be conducted (separate from the conditional use approval).

Let me know, thanks,
