

**TOWN OF PALMER LAKE  
BOARD OF TRUSTEES - AGENDA MEMO**

<b>DATE:</b> April 11, 2024	<b>ITEM NO.</b>	<b>SUBJECT:</b> Consider A Business Directional Sign on Town Property
<b>Presented by:</b> Town Administrator		

**Background**

Per the Board direction at the 3/28 meeting, Alpine Essentials was requested to check with private property owner adjacent to the street to consider placement of a business directional sign.

This item is before the Board with the resulting response and request from the business owner, Alpine Essentials, including options to locate a directional sign off Hwy 105 on town property.

**Recommendation**

No other signs, other than temporary special events, are allowed on town property. Legal has concerns about setting this precedent.
