

**TOWN OF PALMER LAKE
BOARD OF TRUSTEES - AGENDA MEMO**

DATE: April 25, 2024	ITEM NO.	SUBJECT: Discussion About Way Finding Signs (examples)
Presented by: Town Administrator		

Background

Examples of signs are provided for review to consider signs for the Town of Palmer Lake entrance from the south on Hwy 105 through Monument and the north on County Line Road.

Note articles included with the examples.

What would Board members like to see - should business names be included with arrow? Or simply town amenities, public parking, lake area, etc.?

Recommendation

Staff seeks direction, if any, to consider exploring the addition of way finding signs.
