| Summary | <p>Routine monthly roads and parks maintenance.</p> <p>Trimming brush and shaving down tree stumps around our parks and ROW's all over Town.</p> <p>Will be installing 4 new big Centennial Parks signs along with 3 new information boards around Town soon. Marked the holes with Reid and we will drill the holes and install the signs soon.</p> <p>Monthly Parks Commission Meeting</p> <p>Snow removal when needed.</p> <p>Pothole patch work taking place all over Town.</p> <p>Assist the Water Department with all of these water leaks that have been popping up and maintenance within their facilities.</p> <p>Built a small pad under the Pedestrian Bridge for when the Troll gets finished.</p> <p>Received the new Centennial Pickle Ball Court wind screens. The PLPC is going to rally up some help and install them very soon.</p> |
| Training | Ongoing weekly/ monthly safety training, meetings, PPACG, Monthly safety meetings, MS4 training |
| Other Activity | <p>Spruce Mountain Road meeting with CDOT and PPACG coming up again this month, I've been keeping in touch with Glen about this.</p> <p>PW has started the process of revamping the Ballfield. We are nail dragging and grooming the infield/ outfield warning lane. I have reached out to 4 fencing companies, and we have received the bids from them.</p> |

Town of Palmer Lake

| | |
|--|---|
| | <p>PW is coordinating with the water department to tap into main water line by ballfield and install a class III water spicket so we can irrigate the field and plant more grass.</p> |
