

**TOWN OF PALMER LAKE
PARKS & TRAILS COMMISSION - AGENDA MEMO**

DATE: December 2025	ITEM NO.	SUBJECT: Parks Report For December 2025
Presented by: Stacy DeLozier PW/Parks Supervisor		

Ongoing/Completed:

Installed Christmas lights around Town

More brush clearing by Creekside Trail and Glen Park

Started reconstructing the pathway to the Glen Park Tennis Courts.

Upcoming:

I had Tish order the big Parks items. (Bear Proof trash cans, Message Boards, Pet Waste Stations etc.)

I received 3 bids from Reid on the Baseball Field fencing. Need to discuss further to see where we go from here ie: timeframe, where the funding will come from, EVERYBODY including the Board members all agree with this ballfield upgrade.

Follow through with turning the Creekside Trail into a designated Park. (CTF)

Get documents from Reid on Village Green actually being a documented Park. (CTF)

Have not installed the new Centennial Park signs yet.

PW/Parks riding mower is in bad shape. It keeps chewing up blade bearings, definitely need a new mower for Spring/ Summer 2026.
