

**TOWN OF PALMER LAKE  
BOARD OF TRUSTEES - AGENDA MEMO**

<b>DATE:</b> June 9, 2022	<b>ITEM NO.</b>	<b>SUBJECT:</b>
<b>Presented by:</b> Town Administrator /Clerk		Resolution to Authorize IGA for Opioid Settlement (CO Regional)

**Background**

El Paso County has suggested that smaller municipalities with the lowest populations be represented by County officials, particularly Commissioner VanderWerf in the case of Palmer Lake. Considering the topic, El Paso County's professional staff will be heavily involved with the policy group as well. The first meeting is anticipated in **late June** to begin the development of a two-year plan.

El Paso County would like to have Palmer Lake's approval of the IGA prior to that time so there are no issues with receiving regional funding.
