

**TOWN OF PALMER LAKE
BOARD OF TRUSTEES - AGENDA MEMO**

DATE: June 9, 2022	ITEM NO.	SUBJECT:
Presented by: Town Administrator /Clerk		Ordinance Relating to Establishing a Time Limit to Display Banners

Background

It has been brought to staff attention that some banners are out for a very long period of time prior or following events. Following is the code that was reviewed with the Planning Commission, as the PC approves signs for the Town. The Planning Commission recommended establishing a time limit for the display of banners in town.

14.50.050.030. Banners and Pennants.

Banners and pennants are prohibited, except for special community sponsored events.
(Code 1973, § 14.50.050.030; Ord. No. 10-1998, § 83, 1998)

Following discussion, the Planning Commission took the following action.

MOTION (Miner, Fisher) to amend the code to add that banners, pennants, and flappers be allowed to display for 45 calendar days before an event and removed by 7 calendar days following the event. Motion PASSED (5-0).

Further staff discussion of this topic resulted in suggesting that the sign code in its entirety is addressed, with the recodification of the town code, rather than addressing the items/sections in pieces.
