Good afternoon,

Hey guys April Fullman here... I'm reaching out wondering if we might be able to coordinate a volunteer morning Saturday Nov 4th for town Christmas light decorating.

I have ordered some new lights and those should be coming in the next few days, also have a pretty good grasp on what we have currently. A friend helped me draw up a lighting plan that I'm going to make some copies of, one of those will be left at Town Hall for future use, I hope.

Trying to be a little more organized and be able to successfully pass the baton at some point down the road.

Please let me know if it's possible to put this on the agenda, unfortunately I work Tuesday nights so I won't be able to make that meeting, but I look forward to hearing from you guys about putting it on the agenda and getting the word out. Please feel free to give out my email to anyone that is interested in volunteering, I would greatly appreciate the support from the community.

Thanks

April Fullman
