Hi Dawn,

I hope you're having a great week! I'm reaching out because we've had significant challenges finding a replacement paddle location for Monument Lake since they no longer allow businesses to permit there. We've just about exhausted our options in new recreational locations, and was curious if it's at all possible to add one more group to our daily programming at Palmer Lake. **Everything would stay the same in regards to our Operating Plan, except for we would now have 2 camps groups there instead of 1.**

I completely understand if you have concerns about our impact with 2 groups. We would of course work with y'all and ensure that we are parking in designated areas and keeping our distance from other rec users. If this isn't feasible for your rec location, we completely understand and are happy to continue with running one group out of there per day.

Thanks so much for taking the time to consider!

--

With Gratitude,
Cassidy
