

**TOWN OF PALMER LAKE
BOARD OF TRUSTEES - MEMO SUMMARY**

DATE: June 27, 2024	ITEM NO.	SUBJECT: Direction on Amended Code Regulating Peddlers Permits
Presented by: Town Administrator Dawn Collins		

Recommended Action

Consider amended code relating to the Peddlers permit application process.

Background

Per Board direction, enclosed is additional information gathered from other municipalities relating to peddler regulation and permit process.

The background that is currently conducted is similar to a business license and is high level – checking for felony and/or warrants.

The amended language does revise this to a calendar year for those temporary vendor/business that do not have a business license within the town.
