BOARD OF TRUSTEES - AGENDA MEMO**

<b>DATE:</b> April 13, 2023	<b>ITEM NO.</b>	<b>SUBJECT:</b> Resolution to Reinstate the IGA with Monument Fire on a Monthly Basis
<b>Presented by:</b> Town Administrator /Clerk		

As previously directed by the Board of Trustees, staff continues to hold discussions to negotiate terms of the IGA with Monument Fire District for emergency response to Palmer Lake. While these discussions continue to take place, it is suggested that the IGA be reinstated on a monthly basis in this interim. One additional modification is that only Palmer Lake personnel will be authorized to call for service.

Staff recommends approving Resolution 30-2023 to reinstate the IGA for emergency response on a monthly basis while discussions continue with Monument Fire District.
