

**TOWN OF PALMER LAKE
BOARD OF TRUSTEES - AGENDA MEMO**

DATE: January 11, 2024	ITEM NO.	SUBJECT: Resolution to Authorize a Revised Memo of Understanding with Awake Palmer Lake for Pickleball Courts and Restroom Project
Presented by: Town Administrator		

Background

As previously reviewed, the MOU with APL has a few modifications, as indicated in the redline copy.

The primary concern was the liability for the water line. It is proposed that APL make a payment to the Town for the water fund capital improvement, should the water line require replacement and/or relocation in the future, as directed by the Board of Trustees. This will relieve APL of the liability for the line.

Recommended Action

Approve the resolution to authorize the revised MOU as drafted.
